Boston Herald: The document that is now being sent out by the professor of physiology at Cornell University is something unique in its way. It politely requests the recipient to provide in his will that his brains be given to the university for scientific purposes when he departs this life. Accompanying the request are printed forms, showing how the bequest can be legally made. It deserves to be added that these polite requests are being addressed only to those who have demonstrated that they possess a generous quantity of the article desired.

The two big transportation companies have at least 20,000 tons at various points on the river. The North American Trading and Transportation Company is credited with these figures: At Dawson, 4,000 tons; Fort Cudahy, 1,500 tons; Circle City, 1,500 tons; Fort Yukon, 1,500 tons; Rampart City, 1,000 tons; Eagle City, 1,000 tons; Perry City, 100 tons.

The Alaska Commercial Co., has about the same amount on hand, except at

Dawson, where it has about 7,000. Trading posts have recently been established by the two companies on the Koyuk River, the Alaska Commercial Co., locating at Arctic City and the North Ann Trading and Transportation Co., at Perry City, five miles above.

these things come to pass. (2) To show him that it was not his fault that he did not have more immediate success.

VI. FINAL SUCCESS.—V. 13. Then God shows him that, after all, his work is not a failure. There is to be success, though afar off, and in a different form. IT SHALL BE A TENTH. A tithe, a small portion. The remnant often referred to in Isaiah's prophecies. IT SHALL RETURN. From the exile, as the second part of Isaiah so fully describes. AND SHALL BE EATEN. Destroyed again as before, referring to successive captivities, and perhaps looking forward to the destruction of Jerusalem by the Romans. Yet this is not the end, for it shall be AS A TRIL-TREE. Terebinth or turpentine tree. "A common tree of Palestine, having the general appearance of the oak, but not attaining so great size. From it is obtained an aromatic resin called Chio turpentine." Paine's Celery Compound Makes Them Well and Strong.

The One Reliable Medicine for Young and Old.

Mr. Brown says: "I give your medicine all the credit for my restoration."

WELLS & RICHARDSON CO.

Gentlemen:—I am truly thankful for the good results I have obtained from the use of your Paine's Celery Compound. For a long time I have been a sufferer from general debility and indigestion and have made use of many medicines, but none have given me the grand results as far as improved health is concerned, as has your wonderful Paine's Celery Compound. It has done wonders for me, and though I am 65 years old, I have been able to do light work for the past six months, and have not lost a day. I give your medicine all the credit for my restoration.

JOHN H. BROWN,
Truro, N. S.

DEAR SIR:—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALM. Two bottles gave relief and six bottles made a complete cure I would heartily recommend it to any one suffering from throat or lung trouble.

A YOUNG GIRL'S ESCAPE.

Saved from being a Nervous Wreck

MILBURN'S HEART AND NERVE PILLS.

For the benefit of Canadian mothers, who have daughters who are weak, pale, run down or nervous, Mrs. Belanger, 128 Rideau Street, Ottawa, Ontario, made the following statement, so that no one need suffer through ignorance of the right remedy to use: "My daughter suffered very much from heart troubles at times. Often she was so bad that she could not speak, but had to sit and gasp for breath. She was so extremely nervous that her limbs would fairly shake and tremble. Frequently she would have to leave school; and finally she grew so weak that we were much alarmed about her health. I gave her many remedies, but they did not seem to do her any good."

Then I heard of Milburn's Heart and Nerve Pills, and got a box of them, and they have indeed worked wonders with her. I can recommend them very highly as the best remedy I ever heard of for complaints similar to those from which my daughter suffered."

Milburn's Heart and Nerve Pills never fail to do good. They cure palpitation, faintness, dizziness, smothering sensation, weakness, nervousness, sleeplessness, anemia, female troubles and general debility. Sold by all druggists at 50c. a box or three boxes for \$1.25. T. Milburn & Co., Toronto, Ontario.

Cruel Consumption Can be Cured

Most people believe that consumption is incurable. Not so with that eminent scientist and chemist, Dr. Slocum, who stretches out the hand of help to those who suffer from this king of diseases and the kindred evils that belong to the consumptive family. Heretofore, wealth has been a necessary part of consumption cure, wealth to take you to far distant climes and expensive sanatoriums, but now, under the Slocum Cure, all have an even chance to be saved from the clutch of consumption, la grippe, lung or throat troubles. The Slocum Cure builds up the tired and worn out bodies of those who suffer. It drives out the germs that are living on the vital strength. It makes rich, red, rosy blood; and rich blood means health and strength. The Slocum Cure is fully explained in a pamphlet containing many testimonials, and will be sent to all persons suffering from consumption, lung or throat trouble, general debility or wasting away, with three free sample bottles of this remarkable cure. Just send your name, full address and express office to the T. A. Slocum Co., Limited, 186 Adelaide Street West, Toronto, and mention the MESSENGER AND VISITOR, and the free samples will be sent to you at once. Don't delay, but give it a trial.

Persons in Canada seeing Slocum's free offer in American and English papers will please send to Toronto for free samples.
