----MONTREAL TEAMSTERS'

May 29?

Wolfville, N. S., May 18 .- Friday saw the closing of lectures for the college year of Acad a University. In many ways the year has been one of special interest and marked growth. During the fore part of Montreal, May 17—(Special)—The Montreal teamsters' strike is now at an end. The companies agreed to give the men the increase in wages, and the strike has been officially declared off. As a result the embargo on freight coming to Montreal has been raised by the Grand Trunk and the Canadian Pacific.

which will, if completed with like success, bring to Acadia more than \$200,000, the friends of Acadia providing one-half this amount and Mr. Rockefeller the other half. Your correspondent learns that al-ready more than \$25,000 has been sub-scribed by the friends of the college. Doc-tor Trotter, who has been making a short visit to certain points of the provinces, returned home on Saturday. The degree examinations at the univer-sity are now in progres. There are about thirty-eight applicants for degree of B. A., and about ten for the M. A degree. Examinations also begin today in Hor-ton Collegiate Academy and the Ladies Seminary. Among the students, field sports are very popular at present. For some time AT ST. STEPHEN, MAY 25.

testify. Mr. Willard Thompson, McNeill's Mills, P.E.I., writes us as follows: "I wish te state to you what Burdock Blood Bitters has done for me. Some time ago my blood got out of order and many boils appeared on my neck, legs and arms. They were so painful that I could not sleep at night. After having tried many different remedies without any success, I finally decided, on the advice of a friend, to use Burdock Blood Bitters. Before I had quite used two bottles the boils had completely dis-appeared, and I wish to emphasize the fact that I think Burdock Blood Bitters the best blood purifier on the market tecday.
