THE BRITISH PERIODICALS FARMER'S GUIDE. Great Reduction in the Price of Leonard Scott & Co. NEW-YORK, Continue to Re-publish the following leading British Periodicals, viz: THE LONDON QUARTERLY REVIEW, Conservative. THE EDINBURGH REVIEW. Whig. THE NORTH BRITISH REVIEW, Free Church. THE WESTMIMSTER REVIEW, Liberal. BLACKWOOD'S EDINBURGH MAGAZINE, Tory. The great and important events-Reigious, Political and Military-now agiating the nations of the Old World, give to these Publications an interest and value they never before possessed,-They occupy a middle ground between the hastily written news items, crude

speculations, and flying rumors of the newspaper, and the ponderous Tome of the historian, written long after the liv-ing interest in the facts recorded shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised, whether of friend or of foe, and all shortcomings fearlessly pointed The letters from the Crimea and the Baltic in Blackwood's Magazine, from two of its most popular contributors, give a more intelligible and reliable

account of the movements of the great beligerents than can elsewhere be BY the Subscriber, 2000 Saw-Logs, found. These Periodicals ablv represent the three great political parties of Great Britain-Whig, Tory and Radical,-but Politics forms only one feature of their character. As Organs of the most profound writers on Science, Literature, Morality and Religion, they stand as they ever have stood, unrivalled in the world of letters, being considered indis-pensible to the scholar and the profesonal man, while to the intelligent reade of every class they furnish a more correct and satisfactory record of the cur-

rent literature of the day, throughout the world, that can possibly be obtained from any other source. For any 1 of the 4 Reviews....\$3 For any 2 of the 4 Reviews.... 5 For any 3 of the 4 Reviews ? For all 4 of the Reviews 8 For Blackwood's Magazine 3

For Blackwood and 3 Reviews.. 9 For Blackwood & the 4 Reviews 10 Payments to be made in all cases in advance. Money current in the States where issued will be received at par.
