The Synod of Hamilton and London will meet in St. Andrew's Church, London, on Tuesday, the 8th April, at 7 30 p.m.

Rolls of Presbyteries and all documents for transmission to the Synod should be in the hands of the Clerk not later than the first day of April.

The Committee on Bills and Overtures will meet in St. Andrew's Church, at 4 p.m., on Tuesday the 8th April.

Arrangements are being made with the different railways for reduced fare to and from London. Certificates will be sent in due time.

WM. COCHRANE,
Clerk of Synod.

Brantford, March 11th, 1879.

THE THALBERG PIANO.

This celebrated Instrument, with all the most recent improvements, is still offered to the user at the extremely low price of Two Hundred and Ninety dollars, (\$290.00.) As competition and bad times cut down the prices and reduce the quality of current instruments, the cash price of THE THALBERG IS MAINTAINED and THE QUALITY IS IMPROVED. The instrument is only offered to those "who mean money"—those who can pay cash and who want a bottom price. The "Long Credit people" need not apply, as the instrument is put down to meet the cash buyers. Families who are thinking of purchasing a piano, and who are canvassed by agents, can save themselves much annoyance by remitting a bank draft or P.O.O. for a Thalberg direct to the wholesale agents. They may have to wait a few weeks, as all instruments are shipped direct from the factory, the Company seeing that each instrument is put up and tuned. A guarantee is given with each instrument securing the utmost satisfaction. If no agent solicits your order for THE THALBERG (full 7½ octave instrument), write direct to the agents. Now is the time to order!

THE MEDICAL FACULTY Advise

The preparation known as DURHAM CORN FLOUR, is, with milk, recommended for children's diet. This particular brand is found to possess qualities that make its use most desirable.

ANALYTICAL CHEMISTS Report

"This DURHAM CORN FLOUR is entirely free from any impurities; it is evident that great care is taken by the makers in the selection of the maize from which it is manufactured, so much so that not the least trace of any foreign matter is to be found."

THE MANUFACTURERS say

that now as during the past decade, this preparation engages their great care. Nothing can be prepared from maize possessing greater delicacy of flavor, and by their improved patent process of manufacturing, all the impure and foreign matter is so thoroughly eliminated as to give a much lighter and more perfect preparation than can be secured by the means generally employed.

When you ask for DURHAM CORN FLOUR, see that you get it.
