

Don't Blame the Stenographer

She can't make bright, business-like letters unless you supply good typewriter ribbons. And you can't get clean, easy-to-read carbon copies from poor carbon paper.

PEERLESS

will settle both these points for you. PEERLESS ribbons make the type stand out on your letters clear and free from spots and blurs. PEERLESS Carbon Paper makes copies clear as originals.

Order Peerless Ribbons for your machines. Try a box of Peerless Carbon Papers. Get the sort of letters and copies you want. Dealers everywhere.

Fine taste in stationery is evidenced by having something quite out of the common and yet easily recognizable as having all of those qualities which distinguish the possessions of people of discrimination.
