

# CLASSIFIEDS

The Rules: Classifieds are a free service offered by The Brunswickian to the staff and students of UNB and STU. Content: 30 words or less each of which should be inoffensive on its own, or in conjunction with others. Duration of publication: One week. Disclosure: Classifieds are not confidential. If you are ashamed to submit your name with your classified, then it's not for us. Please don't use someone else's name. We will check. (Names are not necessarily printed, but we like to have them for our own records. We're anal that way.) When submitting a classified in person, bring your ID. Inclusion: Acceptance of a classified does not guarantee publication. There are many places to lose things in this office. Especially if that thing is your sanity. And finally: The Brunswickian reserves the right to refuse to publish any classified. Offensive classifieds have as much chance of getting published as the Student Union has of admitting that the real problem with the budget is themselves, not Clubs and Societies, not The Brunswickian and not CHSR.
