WARM SUNNY FLORIDA

Few opportunities exist to live in a true Estate Community in Florida
 This is one

DELTONA'S Pine Ridge COUNTRY ESTATES

Here is an opportunity to own a personal-size ranch of one (1) to five and one half (5½) acres, where you may stable a horse, on your own property... or have your own acre homestead on or near a golf course. Adjacent to Citrus Springs and only 28 miles south of Ocala, Pine Ridge Country Estates, a totally planned community by the Deltona Corporation's famous Mackle brothers has been introduced and warmly received by the public.

The masterplan proposes a shopping area, golf and country club, 28 miles of riding trails, and sites for religious facilities, all within the community. A large equestrian club, with stables, tack room and riding ring is completed and in use.
