## A Cause for Thanksgiving, also for Earnest Effort

First. The July appeal has met with general response from Circles all through our constituency. For this we must be filled with gratitude.

Second. If everybody does her part, that is, if each giver is generous, if each collector is faithful, and each treasurer sees that all the money available is in the hands of the Treasurer before the fifteenth, there is reasonable hope that we shall come up to Convention with a balance for advance work.
