"Last Call" for Oxford Sale

Jas. Rettie's Consignment

DEAR FRIENDS:

You will be mighty glad in the years to come that you attended the Oxford Breeders' Club Sale at Woodstock, on TUESDAY, MARCH 25th.

You can get the right cattle at this sale to go ahead with and build a big success with Holsteins. Of course you'll set the price, absolutely yourselves since there cannot possibly be any reserve whatever.

My own consignment of 5 young tested cows are such as I am proud to have go out as coming from my herd. Look them up in the herd book: They are: Canby Butter Girl, Jessie Poole, Olive Schilling 3rd, and her daughter Olive Mercena, and Elmore 2nd.

Just such cows as will make money for you as they have for me. Be at the sale sure and watch for the individuals in my consignment.

Yours truly,

JAS. RETTIE,
Norwich, Ont.

Surplus stock All Sold

The bull recently advertised is sold, and I am now booking orders for bull calves coming, all from A.R.O. cows, from 17 lbs. as junior two-year-olds to 30 lbs., mature cows.

I have got so much good stuff here that I cannot begin to tell you about it all. Our latest is a 30-lb. three reater, best day's milk 88 lbs., and five lbs. butter. Another is a 35-lb. cow.

First time you come to Toronto bear in mind that I invite you to come out to The Manor Farm and inspect my stock. Farm is easy of access from North Toronto on Metropolitan Electric Line. I can show you some things right up to date in the way of stable and dairy equipment, and I have in my stables upwards of 100 Holsteins for you to choose from.

Get a hold of your pen and paper and write me to-night about the Holsteins you are wanting. If I cannot supply you I can tell you where some good stuff is.
