STOCK GOSSIP.

In writing advertisements please say that you saw their advertisement in the Farmer's Advocate.

We are in receipt of Messrs. Ormsby & Chapman's catalogue of Yorkshire swine. Those of our readers who contemplate purchasing should send for it, as by referring to it they can easily see how they can order pairs not related. These gentlemen claim that they were the first to introduce this sort in Canada.

Mr. J. K. Macmichael, Watford, Ont., who places a card with us this month, informs us that he now has a herd of nineteen head of full-bred Hereford cattle, all registered in American Hereford H. B. He purchased the promising young bull Corporal 2nd, at Ontario Agricultural College sale, to place at the head of his herd.

Mr. W. H. Beattie, Wilton Grove, called at our office and informed us that his last importation, which arrived on Saturday, 27th September, consisting of thirty shearling Shropshire ewes from the Earl of Strathmore's flock, were all sold within two weeks of their arrival, the majority of them being sold to Mr. John Lamiman, Glanworth, Ont.

Mr. John Dunkin, breeder and importer of Shropshires, Brucefield, Ont., sends us the following report of sales from his flock: — To Mr. McRobert, who was purchasing to supply orders in Illinois, two imported rams and fifteen ewes and rams of his own breeding; to Mr. Rowe, Michigan, one imported ram and two ewes; Mr. Wm. McPherson, Forest, Ont., one imported ram and four ewes; to Mr. W. H. Beattie, Wilton Grove, one imported ram.

Mr. E. Goodwin Preece, live stock agent and exporter, of Shrewsbury, England, informs us that he shipped per SS. Toronto, on Friday, Oct. 3rd, 120 head of very choice Shropshire shearling ewes and twelve Welsh ponies for Mr. Robt. Miller, Jr., of Messrs. Miller & Sons, Brougham, Ont. The ewes were all selected, purchased and shipped by Mr. Goodwin Preece himself, and were a remarkably fine lot. As so many ewes had been sold previously Mr. Preece had to prevail upon several eminent breeders to spare a few of the ewes which had been reserved for home breeding, and, in consequence of the great foreign demand this year, had considerable difficulty in obtaining so large a number of first-class sheep. This shipment makes the seventh of Shropshires to Canada and the States this season, and brings the total number exported by Mr. Goodwin Preece to 85 Shropshire rams, ewes and lambs. We understand that already Mr. Preece has bespoke several of the choicest lots of ewes for next year, when the demand is likely to be unusually great.
