

Bale your Hay Quicker, Better, Cheaper!

THE DAIN Steel Hay Press

Perfect results are what you get when you use a

Dain Double-Gear, Belt-Driven, Steel Hay Press

Carefully and substantially built of high-grade materials, it will give lasting service under the heavy strains and trying usage to which a hay press is subjected.

Wherever steel is better than wood, steel is used in its construction. Outdoor exposure does not affect the DAIN. It doesn't warp or swell like a wooden press.

WHETHER YOU HAVE

a press or contemplate having one, you should ask for our free catalogue, giving sound and valuable information on the subject. There is a DAIN Press to suit every pocketbook. Any DAIN Press will be the best press investment you could make at its price.

Buy a Wagon That Will Last a Lifetime!

It is not an uncommon thing for a T-K Handy Wagon to be used 20 years without a cent of expense for repairs. But up-keep cost is the least of its virtues, for this wagon combines more practical adaptability, convenience, durability and actual earning power per dollar invested than any other wagon on the market. It makes farm work easier and more profitable. Investigate!

Handy Farm Wagons and Wide Tire Steel Wheels

Equip your wagons with T-K Wide-Tire Steel Wheels and eliminate all possibility of accidents on rough and rocky roads, delays and need of lightening the load over sandy and muddy stretches. These wheels are flawless in design and strong as a steel bridge, yet weigh no more than wood. They lighten the draft on horses from 25 to 50 per cent., and are the greatest savers of time and labor that a farmer can employ. Write for catalogue containing pictures and full details. Address:

TUDHOPE-KNOK CO., LTD., Orillia, Ontario.

This **\$15** Down and balance in easy instalments without interest. **Engine**

IT IS EASY TO BUY the wonderful Gilson "Goes Like Sixty" Gasoline Engine on the above plan. Powerful, simple, durable, dependable, cheapest running, easiest to operate of any engine made. A positive guarantee given with every engine. Ten days' trial—if not satisfactory, hold subject to our shipping directions, and we will return every cent of your first payment. Can anything be fairer? Made in Canada—no duty. The Gilson has 30,000 satisfied users, proving that it is not an experiment but a tried and tested engine. Ask your banker about our reliability; founded 1850. Tell us just what work you have for an engine to do and we will name you price and terms on the proper horse power. All sizes. Send for free catalogue. Big money for Agents—write for our proposition.
