

ACADIENSIS

PUBLISHED QUARTERLY,

January, April,
July, October...

SUBSCRIPTION PRICE: \$1.50 PER ANNUM.

This Magazine is devoted to the interests of the Maritime Provinces of Canada, and deals chiefly with Local History, Acadiana, Genealogy, Folk-Lore, Book-Plates, Biography, Heraldry, Antiques of various descriptions which are of local connection, etc., etc.

There are no paid contributors, and all clerical and editorial work is performed gratuitously.

The receipts from all sources being less than the actual cost of printing, illustrating and postage, it is hoped that all those who have the welfare of the Acadian Provinces at heart will endeavour to increase the subscription list, by inviting the attention of such of their friends to the work as may be interested in Canadian literature of a high class.
