Just Hold the Gillette Naturally

Shaving with the GILLETTE is not a fine art, nor does it require skilled labor. You may be "no good with tools," yet you can shave yourself easily and well with the Gillette Safety Razor.

Hold it lightly, as illustrated, and it falls naturally into the right shaving position, blade edge just touching the skin. Then draw it across the face, not hoe fashion, but with the Angle Stroke shown, and the keen GILLETTE blade will cut smoothly in any direction—with the grain, across it, or against it.

If you want a light shave, or if your skin is tender, screw the handle tight.

If you want a close shave, loosen the handle about a quarter turn. This allows the blade to spring away from the guard a little and take more hold. Buy a GILLETTE and forget your shaving troubles.

Standard Sets, \$5. Pocket Editions, \$5. to \$6.
Combination Sets, \$6.50 up.

At your Druggist's, Jeweler's or Hardware Dealer's.

FIGHTING FOR LIBERTY

As long as there is a protective tariff in Canada the farmers and working classes will be plundered. Cobden once told the people of England.

"Invest part of your money now to save the rest from confiscation."

The same applies in Canada. In the struggle now on if the protectionists triumph the farmer will pay more for everything and get less for what he sells.

Help us in the fight by sending a copy of

"INTERNATIONAL FLY WAY" Prevents the Tremendous Loss from Flies

Flies cost the Farmers of Canada millions of dollars annually by retarding the growth or fattening of animals and by greatly reducing the production of milk by constantly annoying the animals all summer. Every farmer or stock raiser knows this statement to be true from his own experience.

Flies also cause a great loss of life by spreading disease from farm to farm. "International Fly Way" will keep flies off your animals and give them perfect rest from those pestiferous insects, which will make you more money in a larger production of milk or much quicker growth of all animals.

SAVE YOUR STOCK

By Using

"INTERNATIONAL FLY WAY"

It is positively guaranteed to be effective in driving away Flies, Mosquitoes, and other insects which worry stock and reduce their earning capacity. It is harmless to the hair and skin and will be found perfectly satisfactory when used according to directions.

We place our twenty years of reputation back of "International Fly Way," and ask you to test it on your positive guarantee.
