In Livestock Circles

Messrs. Clark and Sims, East View Stock Farm, Argyle, Man., have just sold to Herman Roth, Rossmere, Sask., the junior Holstein calf, "Inferno Woodcrest," 17785, sired "Inferno Snicker Vale" 17786, dam, "Ruby Nag" 14212.

"Ruby Nag" has a record as a three-year-old, of 16,156 pounds of milk, and 710 pounds of butter, in one year, and as a four-year-old, her monthly record stands at 160.2 pounds of milk and 25.67 pounds of butter.

The price paid for this calf, we understand, was a good one.

At a sale of Shorthorn cattle, belonging to Major Clive Beddoe, Swinton Grange, Milton, Eng., held a couple of weeks ago, some high prices were recorded.

Thirty-six head of cows and heifers (11 were calves), fetched almost \$32,860, or an average of nearly \$913—apart from the calves they made an average of about \$840—while eight bulls realized \$8,290, an average of \$1,036. The highest price in females was \$2,625, paid for "Swinton Secret 4th," a four-year-old cow. Whose sire is "Broadbooks Commodore." The highest price for bulls was \$1,900, for "Swinton Lord Broadbooks," a youngster full of character.

It is interesting to compare the prices with those of the sale of a draft from the same herd five years ago. On that occasion the average for bulls, cows and heifers was just a little over \$270.

At a sale of Suffolk Punch horses, held in England, a couple of weeks ago, some very high prices were realized. The total for 98 animals was \$165,000, which gives the extraordinary high average of \$1,682. The highest price for a stallion was \$10,500, and the highest price for a mare was the same. A five-year-old gelding brought \$1,155 and a seven-year-old, \$1,200.

The Curtice Cattle Co., Calgary, Alta., whose prize-winning Herefords made the round of the Western Fair Circuit this summer, have shipped their herd to Vancouver Show, after which they will appear at the various other shows on the Pacific Coast.

At Calgary a couple of weeks ago, teams of heavy mares, weighing from 1,450 to 1,600 pounds were sold for \$425 to \$500 a team, light teams of mares from 1,250 to 1,400 pounds ran from \$200 to \$400, heavy teams of geldings from \$400 to \$475, and light teams of geldings from \$200 to \$300.

The horse market in Alberta is quiet. There are quite a few horses being bought around Calgary and shipped north. The prospects, however, are that prices will be stiffer within the next month or two.

W. E. Cole, Cut Knife, Sask., purchased at the recent Brandon Summer Fair, the junior yearling prize-winning Shorthorn bull "Challenger," from J. J. Elliot, Guelph, Ont. Mr. Cole will use this bull on his herd of over 75 head of pure-bred females. "Challenger" was calved on April 10, 1917; he is a beautiful smooth bull of good depth and his record as a prize winner at the recent summer fair circuit was as follows: At Calgary he was first in a strong class, second at Edmonton, first and junior champion at Saskatoon, first at Brandon, and first at Regina. The price is reported to be \$1,500.

Messrs. P. M. Bredt and Co., Golden West Baileys Stock Farm, Calgary, Alta., have at the present time quite a good selection of pure-bred Clydesdales and Shorthorns for sale.

There is some high-class stuff to choose from in both breeds, and they will be offered at most reasonable prices.

Good Sale of Percherons

Messrs. C. D. Roberts and Sons, of Winnipeg, breeders and importers of Percheron and Belgian horses, in a recent letter to The Guide, state that they have just sold to Harry Boyce, of Saskatoon, the reserve champion stallion at Brandon Winter Fair, last March, also the three and two-year-old fillies, which were strong prize winners at the Western Canadian Summer Fairs of 1917. The price paid for the trio was \$5,900. Messrs. Roberts have still a fine selection of good sound Percherons for sale.

At an auction sale on farm stock and implements near Calgary, a couple of weeks ago, prices for teams of mares ranged around \$425, range cows from \$46 to \$110, milk cows up to \$122, two-year-old steers \$20 and two-year-old heifers \$12.

Stock Moving North

The movement of cattle from the dried-out districts of southern Saskatchewan and Alberta to the Prince Albert district is assuming large proportions. Thousands of head of cattle and horses will be shipped in during the next two months to take advantage of the unlimited supply of feed in this area.

One-hundred-and-seventy-five head of graded Hereford cattle from Fairlight, Sask., were unloaded here recently. Yesterday 12 carloads of cattle from southern Alberta passed through the city on the way to Melfort. Three hundred head of cattle from Vegreville has been taken to Paddockwood, where a fine ranch has been located.

**"EASTLAKE"**
Portable Granary

You need it. It's got the design, the strength, the quality-materials and all up-to-date features. Made of heavy, galvanized and corrugated steel, curved—twenty-nine times stronger than flat sheets—by a firm who have been making for 30 years the goods the West wants. No cast iron to break—all pressed steel. All machine-made, therefore quick and easy to erect or take down. Weather-tight doors big enough to climb through. Take out any roof section in 3 minutes and

You Can Fill From Any Side

After filling, replace roof section and it bolts back, absolutely rain and snow tight. Chutes, with cut-offs, at 2 heights making bag filling easy. Size 12 feet 5 inches diameter, by 9 feet 11 inches at eaves, total capacity 1015 "Imperial" bushels.

You can't appreciate the "Eastlake" until you see the big illustrations in our new folders. Write to-day for same and prices to
