THE Canada Life Assurance Company.

Established, 1847.

Incorporated under Special Act of Parliament.

Amount of Capital and Funds over \$1,800,000
Assurances in force over \$4,600,000
Number of Policies in force over 83,000
Annual Income over \$170,000
Claims paid for Deaths since commencement of Company..... over \$400,000

THIS Company was specially established for the purpose of granting to Assurers every security, advantage and facility which prudence or liberality can suggest; and so highly have the advantages it has offered been appreciated by them, that it has transacted a larger amount of Life Assurance business in Canada than any other Life Assurance institution there.

The terms and conditions of assurance are as liberal and unrestricted as those of other good companies, and the rates, which are founded on the higher interest obtainable in this country than in Great Britain, are lower than in British offices.

The following are some of its special advantages: STRICTLY CANADIAN MANAGEMENT, enabling all business to be transacted in the Province with ease and promptitude.

THREE-FOURTHS OF THE PROFITS of the Company upon Policies participating therein, are divided among the Policy-holders on the "With Profits" system, every five years. The next division is in 1870.

CLAIMS PAYABLE three months after death, or sooner, if title of claimants be satisfactory, and upon a moderate discount for unexpired time.

POLICIES WELL ADAPTED FOR USE AS SECURITIES, by the absence of many common restrictions as to travel, and general liberality of conditions for residence and travel.

TABLE OF RATES for the more general forms of Life Assurance, and every information, may be obtained at the Head Office, Hamilton, Ontario, or at any of the Agencies, which are established throughout Canada.
