"I noticed a complaint in The Planet," said L. E. Tillson of the Pere Marquette yesterday, "made by a Blenheimite against the rate of 25 cents from Blenheim to the Eau on band concert nights. Now the Blenheimites needn't think that the citizens' band can guarantee a train to the Eau and get no commission from Blenheimites. If they don't want to pay 25 cents it is an easy matter to order the band train not to stop at Blenheim."
