**Kings County Temperance Alliance.**

Notwithstanding the very disagreeable weather and bad state of the roads, there were about sixty members of the Alliance present at the meeting at Waterville on Wednesday. The meeting was called to order shortly after 11 o'clock by Mr. E. B. Newcomb, the newly elected president. Prayer was offered by Rev. G. P. Raymond, of Berwick. Quite a number were proposed for membership, including Rev. Dr. Crowell, of Cambridge, and Rev. M. C. Higgins, of Waterville. A great portion of the time was taken up in the discussion of necessary changes in the constitution, an abstract of which will appear later. The executive was instructed to place a collector in the field to raise the balance required to wipe out the indebtedness of the Alliance. It was decided to make immediate preparations to contest the federal election when it comes on. With this end in view the executive was instructed to look after a careful revision of the electoral lists. A committee was appointed to wait on the county council and ask for the re-appointment of Mr. Ira L. Cox as Scott Act inspector. The next meeting will be held early in January.

Some one who has a nice family horse for sale could find a purchaser in Mr. Gaspar Roy, at this place. Butter is selling here at 30c. per pound,—eggs same money. Eggs will likely soar a little higher as the hens have about got rid of their fall litter.

**A Good Investment.**

One dollar is a small sum to invest when it is considered what wonderful value can be had if properly placed. A dollar sent now to the Family Herald and Weekly Star, of Montreal, will mean that every week during 1908 you will receive the best family and farmer's paper in America. The Family Herald and Weekly Star is really such wonderful value that no home can afford to be without it. The children enjoy it, fathers and mothers enjoy it, in fact it is such a source of pleasure to any household that no home in Canada can well afford to be without it. Send a dollar now to the Family Herald and Weekly Star, of Montreal, and you will never regret it.

The steamer Yarmouth of the D. A. R. line, running between St. John and Digby, went ashore in the fog some few miles below St. John on Monday last. The passengers were taken off in a tug. At last report the steamer had reached St. John in a badly damaged condition. She is insured.

The death of George W. Martin, one of the oldest and most respected citizens of Kentville, occurred at his home at that place on Dec. 5th, after an illness of over a year. A number of the brethren from Wolfville attended.

**Political Meeting in College Hall.**

SIX STUMP SPEECHES ON CANADIAN AFFAIRS DELIVERED SATURDAY NIGHT.

A rousing political rally was held by Acadia students in College Hall last Saturday evening.

Three speakers appeared for each side. The Conservatives were represented by W. B. Foster, of Torbrook; George F. Kierstead, of St. John; and L. V. Margeson, of Berwick; and the Liberals by G. V. White, of Wolfville; F. C. Atkinson, of West Brook; and L. N. Seaman, of Wolfville.

That the interest in the meeting was very great was shown by the attendance and by the loud and persistent cheering.

When the speakers took the platform they were greeted by a storm of applause. The mention of John Stanfield's name was the signal for renewed and continued cheering.

Mr. Margeson was the first speaker. In a pleasing speech he spoke of the record of the Conservative party, claiming that the people of Canada owed to it a debt of gratitude. He said that the party had never violated a pledge nor broken a promise.

Mr. White opened the debate for the Liberals, claiming that graft was not a product of the government, but of the people. He ridiculed R. L. Borden's purity cry, and said that one party was as corrupt as the other.

He was followed by W. B. Foster, who unsparringly condemned the government for its eleven years of maladministration, and charged that the Liberals had broken into kindling wood every plank of their platform. Considerable attention was paid to the Halifax round-house scandal, the Moncton land deal, the Arctic expedition and other instances of graft.

Mr. Atkinson, in a clever speech, made a brave but intellectual attempt to refute the charges of malfeasance and corruption made against his party.

He spoke of Puley's charges, and said that R. L. Borden was afraid to have the Conservative campaign fund of 1904 investigated.

George F. Kierstead followed. In a fluent and forceful speech he made a splendid presentation of Borden's Halifax platform.

Mr. Seaman said the Observative talk was summoned up in the one word "scandal." He claimed that the party had no platform to offer the people, and was unworthy of the public confidence.

The debate was closed for the Liberals by Mr. White. He claimed that the Conservatives were muck-rakers, and ended by paying a fine tribute to his leader, Sir Wilfrid Laurier.

Mr. Foster summed up the matter for the Conservatives. He reiterated his charges against the government and said that as long as the Liberals supply the muck the Conservatives would supply the rakes and rakers.

**To Maintain Good Health**

Mr. John L. Hickey, now caretaker of the public and high schools, Trenton, Ont., states—"I have used Dr. Chase's Kidney-Liver Pills and have found them the greatest medicine I ever tried. I used them when in the lumber camps and have by keeping the kidneys and bowels regular and the general health good they protect a person from catching contagious diseases, which are so common in the camp. I have seen hundreds of men using Dr. Chase's Kidney-Liver Pills in the lumber camps. They buy them by the dozen when going in, and to show how much faith they have in them they buy them when they could get their medicine for nothing by going to the hospital camp. Dr. Chase's Kidney-Liver Pills keep my liver, kidneys and bowels regular and my health good. I would not think of being without them." Dr. Chase's Kidney-Liver Pills positively cure biliousness, constipation and diseases of the kidneys. One pill a dose, 25 cents a box, at all dealers or Edinboro, Bates & Co., Toronto.
