QUEENSTOWN, Sept 9.—The brigt Victoria Pringle, which arrived here from St John on the 2nd inst. left this port yesterday for Dundalk, but put back last evening in coming in collided with the ship bark Argo, carrying away her own bowsprit and all the gear attached.
The brigt J Morton was driven ashore at Spencer's Island, beating out her keel, having away a mast, and becoming a wreck.
Monday morning following the gale, a vessel was seen from the shore, dismasted, when boats were sent to her, and she proved to Spencer's Island. She proved to be the schr Ebro, loaded with lumber from the Joggins. As no person was on board, it is feared the crew were washed off, everything about the deck being washed away.

THE most unhappy person in the world is the Dyspeptic. Everything is blue and gloomy; he feels "out of sorts" with himself and everybody else. Life is a burden to him. This can all be changed by using Peruvian Syrup (a protoxide of iron). Cases of twenty-seven years standing have been cured by it.

GOOD FOR NEW BRUNSWICK.—Hacketin has distinguished himself at the Ontario Rifle Match. So has R. S. R. Foster in the Provincial Exhibition at Montreal, where his Tacks and Nails were awarded two first class prizes over the productions of the tack makers in the Upper Provinces. Mr. Foster is deserving of all the prizes and honors that may fall to his lot. He is one of our most enterprising manufacturers.

SIGNS OF THE ZODIAC.—A philosopher in the West, grown into admiration of the Cherry Pectoral, writes Dr. Ayer for instructions under which he shall be bled, which blistered, which vomited, and under which he shall take Ayer's Pills for an affection of the liver: also under which his wife should commence to take Sarsaparilla for her ailment. He adds that he already knows to plan his calves under Taurus, change his pigs in Scorpio, cut his hair in Aries, and soak his feet in seas or Aquarius as their condition requires.

Schoolmasters, start for Wisconsin, and visit Mr. Ham when you get there.—*Lowell Daily News.*

Public Auction.

In the Supreme Court in Equity.

NOTICE is hereby given that by virtue of a decretal order and a commission thereupon issued to us, in the cause in the Supreme Court in Equity, wherein William Fowler is Plaintiff, and Samuel Taylor and Rosanna Taylor, his wife, Walter Fowler, Winfred Fowler, Clara Fowler, Anna Fowler, Elizabeth Fowler, Ellen Fowler, Lacy Fowler and Mary Fowler are Defendants, authorizing us to make partition of sell among others, the following lot of marsh lands and premises, belonging to the Estate of the late William Fowler, deceased, described as situate in the Parish of Sackville, in the County of Westmorland bounded as follows:—Beginning at the North angle of Marsh Lands, owned by the late Charles F. Allison, deceased, at the Island Road, so called, thence running South sixty-one degrees forty-five minutes West, fifteen chains and sixty-seven links to a stake, near to a creek, thence North fourteen degrees fifteen minutes West, two chains of seventy-one links to a stake, thence sixty-one degrees forty-five minutes East, fourteen chains and fifty-nine links to the said road, thence South forty-seven degrees East, along the said road, two chains sixty-five links to the place of beginning, containing four acres; being part and parcel of the Richardson Property, and finding it difficult from the minuteness of the parties' interests to make beneficial partition of the said Lands, we will therefore, on Saturday the eighth day of October next, between the hours of twelve o'clock, noon, and five o'clock in the afternoon of the same day, at Estabrooks Hotel, in Sackville aforesaid, sell the said hereinbefore described lot of Lands and Premises at Public Auction. Any information respecting the same can be had on application to Daniel L. Harington, Esquire, the Plaintiff's Solicitor, or the subscribers.

Dated at Sackville this 20th day of August, A. D. 1870.

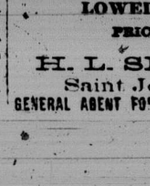
Ayer's
Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.



A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
