My dear James,

Your affectionate brother,

The Union Advocate. Established 1867.

NEWCASTLE, MIRAMICHI, N. B. WEDNESDAY, DEC. 8, 1880.

### THE WINTER.

We have now entered upon another selves-avenues to pleasure are open to them on every hand-and while Death of S. R. Thompson, Esq some of these may be objectionable, there are nevertheless many ways in ally during the winter season. There is really little or no provision made or we might perhaps truthfully say. for the intellectual entertainment of the leading lawyer in the Province the youth in our towns during the We take from the Freeman some minds in our communities. The rebeen found spending their leisure delicate health when he left, and it is time in these gilded avenues to ruin. said that Dr. Bayard strove to dissuade where habits are formed which have that Mr. Thomson determined to go, saving the trip would either kill or cure him. to honor and preferment. The lecture course is good in its way,—alwas attended by Dr. Straton, whose brother was a student of Mr. Thomson's. though it is not as well patronized in Sir William Jenner and other eminent our towns as it deserves to be-but physicians were called in consultation. there is something else needed .-social innovation which shall change was thought at one time that he was out the current, and bring together in the press telegram, he died. Neither his social concourse, many young people wife nor Mr. Straton received the inforwho sometimes seem to be at a loss that the news was incorrect. Mr. Thomas to how they shall spend their even. ings both pleasantly and profitably, erful lever in effecting a great social after to St. John, where after a few years case was off his mind, a week or two's reform, for we are among the number of comparative obscurity he reached a rest with me in the country would set foremost rank in his profession almost him up, I asked him to allow me to call at a bound. When the famous case of in the aid of Sir William Jenner, Bt., who tive enactment alone that temperance Tarratt vs. Lawton was coming on for was probably the highest authority on principles will take the place of the members of the Bar, who had attained consented. Sir William Jenner said he drinking usages of the day. What say eminence were engaged on the other side, and of sheer necessity he was forced to employ Mr. Thomson. This was the was short. I then drove to the Middle-that many cures as the result of faith say our people to a round of parlour to employ Mr. Thomson. This was the entertainments during the present season, to be given at least weekly well did he use it. Day after day for pupil, Mr. Deuty, in the last term of his tion shall be provided.

## North Shore Lumber Shipments, &c.

The Collector of Customs at Richibuc to has kindly furnished us with the following returns of lumber and other ship ments from that port, as well as the out-

timber. The shipments given above down when his life was most valuable.

Were to ports in the United Kingdom,

Mr. Thomson, although so well known with the sickness seemed less urgent through; the sickness seemed less urgent under Government protection as the with the exception of two cargoes to to his profession and too retiring, or as France. A cargo of boards, not included some supposed too exclusive, ever to termittent pulse and increasing feeble. in the above statement, was shipped from Cocagne to St. Pierle, Miquelon.

EXPORTS OF LOBSTERS. The cargo of the schooner Wawbeck, 145 tons, for London, consisted entirely of to his profession. canned lobsters, in all 6587 cases containing 316,176 lbs., valued at \$39,522.

The direct exports of canned lobst during the season of 1880 were :-Henry O'Leary, John H. Rell. John McInerney, R. B. Noble, W. H. Relyea. 295.392 lbs. 179.184 " 69.976 " 49.632 " 29,530 " M. "oley,
Dominion Packing Co.,
E. Milliken,
H. B. Smi.h, 19 2 0 4 8452 " 432 "

672 812 lba. These figures do not represent the quantity of canned fish manufactured in tertained by them for the widow and the Port, as the largest portion was shipped to the European market via Halifax,

St. John and Charlottetown, P. E. I. SHEDIAC. The following shows the amount of

lumber shipped from Shediac during the

persons at this particular season—

of the real state of affairs the comparison him. Next day, Thursday, 11th Nov. should be made with the figures of 1878, that of winter pastimes. In large the last complete year under the old cities there are a variety of ways in tariff. It will be noted, therefore, that able. But I am very ill. It is with difwhich young persons can enjoy themwe are not likely to have any Cartwright ficulty that I can now write. I had been deficite under the Nettonal Bollow. deficits under the National Policy .- Sun.

The unexpected intelligence of the

him from making the journey alone, but and all was done for him that the kindest of the attention and solicitude could do. It of danger, but on the 30th, according to

instrig from that port, as well as the anti-versary of Scotland's missed of the state of the sta

ublic life, and devoted himself wholly Mr. Thomson was married some five or six years ago to a Miss Mc-Donald, of Bathurst, who survives him and for whom the deepest avmpathy is felt in the North, as well as in other sections of the Province. The deceased leaves two children. The legal fraternity of St. John and Fredericton have given public expression to the deep regret they feel at the loss of a gentleman who had attained to so high a position in the profession, as also the sympathy en-

her fatherless children. [From Monday's Globe.] HIS ILLNESS, DEATH, AND BURIAL IN

ENGLAND.

The English mail to-day brought a letter from Dr. Charles R. Straton, Mayor ment well throughout the day.
