The Union Advocate. Established 1867.

NEWCASTLE, MIRAMICHI, N. B. WEDNESDAY, JULY 9, 1884. HARD TIMES.

THAT the times are hard is so evident to everybody that it would be LUDLOW. - John Campbell, John S. Pond. useless to attempt to prove the reverse. And yet when we take a survey of other countries we find that Canada is no worse off than her neighbours, if we are to judge from the business reports circulated for general information. In reviewing the business situation, Dun, Wiman & Co.'s mercantile agency state that the number of failures for the past six months in the Dominion are 752, as against 587 for the first six months of 1883, an increase of 65 failures. The liabilities in the past six months are \$10,742,600, as against \$8,249,-060 for the corresponding period of 1883; an increase of nearly \$2,500,-000. This showing for the six months in the Dominion of Canada is much more favourable than in the United States, where the failures in number have increased over 18 per cent. while the liabilities have inincreased 88 per cent. Considering Canada, and the unfavourable re- shortly after, the only absentees from Canada, and the uniavourable results of speculation, the figures are the session being J. L. And even now, in the face of a most unsatisfactory market, we find asked to take the chair, which he did a most unsatisfactory market, we find that the shipments of deals from St. amid applause from his brother Council- Surveyor, was allowed to appear before the Council. Mr. Morrison's reason for John for the first six months of 1884 lors. amount to 86,813,118, an increase of On motion John Cassidy and Angus with reference to the resolution introabout 5,000,000 superficial feet as about 5,000,000 superficial feet as compared with the corresponding attend the Council this session at \$1.00 sitting, and the remarks made by the councillor at that time. Mr. Morrison day, July 2nd. All the Councillors were period for 1883. Of this large per day. amount Alex. Gibson Esq., the lumber king, has shipped 56,665,870. Whatever may be Mr. Gibson's object in shipping so largely at this critical period in the lumber trade is best known to himself, but his course is unfavorably criticized by many deau reported themselves. who would like to see the supply curtailed in order to effect a change

dividual in the various communities should be willing to do his or her share to effect an improvement. We venture the assertion that there are few sections where the credit system prevails to so great an extent as in the Northern part of New Brunswick—a system which has done much to hinder the progress of the country in the days that are gone, and which still obtains, although not to as great an extent as formerly. This system has not only found favor with many who have done business in the past, but is still maintained in some quarters. If business were conducted to the should be compelled to pay tax to the operator. He quoted the case of an operator who supplied a lot of lumber to the Messrs. Ritchie, which when surtey to go the Messrs. Ritchie, which when surtey to the Messrs. Ritchie, which when surtey to go the Messrs. Ritchie, which when surtey to go the Messrs. Ritchie, which when surtey to the Messrs. Ritchie, which when surtey to go the Messrs. Ritchie, which when surtey to the Messrs. The regiable to the Messrs. Ritchie, which when surtey to the Me ters. If business were conducted strictly on a cash basis an improvement would soon set in—cash would may decrease or increase, for if they he more plentiful. — credit books were to do so, a new County Valuation could be dispensed with in the retail establishments, and transactions in establishments, and transactions in should be sworn to do their duty. Officers general would be by far more satisought not to be allowed to go about dofactory. The early history of the credit system has had its influence in moulding the public mind-in many moulding the public mind—in many time to go into the matter now, and if it instances buyers seek to perpetuate had it would be wasted, as the Council the system by having amounts had nothing to do with it. He could not charged against them on the books of say what the assessors had done in the retail store, and other business establishments, when by a little effort the cash might often be paid, thus saving the business men the trouble incident to "dunning," enabling them to meet their bills with ease. and placing them in a position to sell at smaller profits. In this way all would be benefitted On our own books we have the names of a to drift along without thinking that the payment of even a portion of their indebtedness would materially assist us in the successful prosecution provements on the property and was of our business, and who have done prepared to go still further in this direcassist us in the successful prosecution so more from thoughtlessness than from a desire to withhold payment. The same remarks apply to those who are toiling in other branches. tem has been only too/general, and at the present moment there are many dealers whose cares and business anxieties would be greatly lightened by the prompt payment of even a part of the indebtedness of those whose names are found on the substance of the substan ness anxieties would be greatly lightened by the prompt payment of even a part of the indebtedness of those whose names are found on the those whose names are found on the asks for a reduction in his taxes, having the indebtedness of the indebted meet bills promptly—by paying cash suitable employment in the summer season) and another from John Green, aged where this can be done—and in the 80 years, asking to be relieved from pay- had made during the debate on the rail- food at Ramsay's lumber camp near Wild case of some by drawing upon their ing taxes. savings banks deposits to meet those savings banks deposits to meet those "little bills" which are sometimes left unsettled for so long a time—can do a great deal towards effecting an improvement even though "hard times" may remain with us during times" may remain with us during the balance of the year.

Presentation to Rev. Wm. Aitken.

At the Manse, Newcastle, on the even ing of Friday the 4th inst., Mr. Yeoman in the name and on behalf of a few of the members and adherents of St. James' Church, presented the Rev. William a public meeting on Friday Aitken with a well filled purse of sovereigns. Mr. Yeoman said that it was not given for its intrinsic worth, although Mr. Aitken might find it useful now that he was on the eve of his departure to visit his native land. It was the to express in some slight manner their respect and esteem. The gift was accompanied with kind words, Mr. Yeoman Aitken a prosperous voyage and a safe and happy return to his attached people. Mr. Aitken gave the following reply:-Mr. Yeoman,-Allow me to thank you and through you, my kind friends, the members of St. James' Church. I cannot adequately communicate to you the receive this unexpected and very tangimy ministry, full of defects as it has been, has also been full of encouragement. I have nothing to note against you but kindness, uniformly, and from all quart Drowned. the Polynesian on Saturday, for an absence of about two months. It is understood that Miss Aitken, who has been was found in accordance with the facts pursuing her studies in Scotland, will as above stated.

Scotia, in session last week, adopted the stly, among them a handsome tea ser- following recommendations of the committee on temperance :--

1. That it is advisable for the clergy lector in the parish he represented owed the County a sum of money, and if any steps had been taken to collect it.

Charlotte and Germain streets, up Charlotte and Germain streets, up Charlotte, along Queen, up Germain streets to the Institute. The hest of order was arranging for a Grand Bargaar to be Church of England temperance society, and for the clergy and members of the church to co-operate as far as possible with local temperance organizations.

2. It is advisable that a temperance sermon be preached in each church or diocese in some Sunday in Lent yearly. 3. That in view of the great evils of intemperance we hope to see the practice of total abstinence from the use of inoxicating drinks become general. A lively debate arose on a recommen

dation that it is desirable that the Canada temperance act (Scott Act) be adopted where it can be enforced. Rev. G. W. Hodgson, W. C. Silver and other gentlemen warmly advocated the clause denouncing the licensing of a traffic ruinous to body and soul. L. W. Watson moved the following amendment seconded by C. L. Harrington: "That it is desirable that any legislation that aims at the suppression of the sale of intoxicating liquors be upheld." This was

The Band of Hope in connection with the Newcastle Methodist Church will hold a public meeting on Friday evening next.

The Montreal Herald contains int of an interview held with Mr Pottinger, General Superintendent of the Intercolonial, from which we take an extract, containing interes formation with reference to the Derby

Branch. Mr. Pottinger says:—
"The Intercolonial is being rapidly supplied with feeders. The Kent North ern in Kent Co., N. B., was finished last fall. It is a private road but it ought to be operated by the Government. The Dalhousie branch connecting with the beautiful seaside resort—Dalhousie—to which many Montreal and Ottawa families have gone this season, has been recently finished by the Government. The Derby branch, in Northumberland counreceive this unexpected and very tangible expression of your esteem. It is as unmerited as it was unlooked for. I have done nothing to deserve it. In looking over the past record of my ministry among you I feel deeply sensible of its deficiencies. Other eyes may have scanned those deficiencies but none more clearly and keenly than my own, and yet my ministry full of defects as it has been and will derive a large traffic from the dition to other traffic.

kindness, uniformly, and from all quarters. In my pastoral work and socially I have been met with respect, graceful courtesy and helpful encouragement, and this crowning act of your kindness, Southwest Boom, opposite Bryenton's. It appears that when Davidson fell into the water he was not seen to rise again at once and this crowning act of your kindness, while it humbles me and makes my past defects stand out in a glaring light from the very contrast, will, I trust, act as a spur in redoubling my diligence and ministerial efforts in your behalf. I beg to again tender you and through you my kind friends, my best thanks for this substantial token of your esteem. It is substantial token of your esteem. It is yory handsome in itself—intrinsically so substantial token of your esteem. It is being extinct. The rescuer was combut I prize it mainly for the revelation it brings of your feelings toward me."

The Rev. gentleman left Rimouski in the Rev. gentleman

Declined.

We have received an advertisement from the St Mary's Carriage Manufacturing Co., accompanied with the cash, which we have declined. The affair may be all right—it is said to be a straight business enterprise and no lottery, the THE CENTURY MAGAZINE for July has the following table of contents:—"Recent Architecture in America; Nine perty of the Company, said division to be made by lot. The affair has too much Graves in Edinbro; Lady Barberina; be made by lot. The affair has too much the appearance of a lottery after all, and Catallia's Betrothal; Cruising Around the appearance of a lottery after all, and Cape Breton; To Sleep; Academical Degrees; Peace; Choral Ode to the North River; Scenes of Hawthorne's Romances; Captive; The Ku Klux Klan; A Greek Play at Cambridge; Dr. Sevier; The United States Parsing Office.
