This is other places to the St. Margaret's picnic. probably done on the principle pursued A very large number all told attended, by Barnum, who in hiring lion tamers and though there was some rain the day was thoroughly enjoyed. The proceeds of the applicant sent in professional at-

COMMUNICATIONS.

In the Chatham "Swill Tub" of yesterday inspecting the different armories of the 73rd Batt. The Bazaar held in the Masonic Hall.
Thursday evening by the ladies of the Episcopal Church was largely attended; "Lazor" which is a very good name for and the taste in the arrangements. There were several tables well filled with fancy works, delicately wrought with the needle, and these tables were presided over by skilled sales-ladies. The refreshments were not the least pleasing portion of the collection, nor the least patronized. The proceeds reached \$220.

Gone to Montreal.

To the Editor of the Star:—

Sis,—A general meeting of the faith full was held in a room of the Masonic Hall. Chatham on Thursday evening of Blake. B. Carman, Eaq., was duly in more thoughtful, more orderly? Would he have done better if the had not the laying meeting constitute itself the general meeting of the faith full was held in a room of the Masonic Hall. Chatham on Thursday evening of Blake. B. Carman, Eaq., was duly in more thoughtful, more orderly? Would he have done better if the had been suddenly brought to change places with his serf? If he could not help finment were not the least pleasing portion of the collection, nor the least portion of the extention. He surely does not mean patronized. The proceeds reached \$220.

Gone to Montreal.

To the Editor of the Star:—

Sis,—A general meeting of the faith full was held in a room of the Masonic Hall. Chatham on Thursday evening of the committed in the shear of the same of generals working with a sense of generals about the atomach. Did he think that increasing the hunger pain would make in more thoughtful, more orderly? Would he have done better if the had been suddenly brought to change places with his serf? If he could not help finment were not the least pleasing of the Liberal alias Reform alias gray he can neither read nor write or even in go of the Control of the Star:—

To the Editor of the Masonic Hall. In the same time of the Masonic Hall. In the same of general working working working working working working working working working the think that increasing the hunger p ing the People of Alnwick," there is a

nas tound that a thick coating has been growing on the inner part of his eyelids; so far has this gone that his sight is now seriously threatened. He will remain in Montreal as long as his physicians deem necessary. We hope he may return with his sight fully restore l.

That he was not allowed to control the sale and among that that he secretary had brass enough for a dozen bands, the resolution as amended the time being and wake np to the present that the secretary had brass enough for the time being and wake np to the present time. We had stopped our car and that we adjourn sine die, and they all were waiting for the girl's answer, which sha seemed in no hurry to give. At length lifting a small stone she threw it on the road a cars length helpind in the secretary had brass enough for the size of the time being and wake np to the present time. We had stopped our car and were waiting for the girl's answer, which she seemed in no hurry to give. At length lifting a small stone she threw it on the road a cars length helpind in the road a cars length helpind in the secretary had brass enough for the time being and wake np to the present time. We had stopped our car and were waiting for the girl's answer, which she seemed in no hurry to give. At length lifting a small stone she threw it on the road a cars length helpind in the secretary had brass enough for the time being and wake np to the present time. We had stopped our car and were waiting for the girl's answer, which that we adjourn sine die, and they all that trying to create discord. It is true Mr. Legeres son-in-law did the writing when We would recommend the 30 strong the sale of a piece of road was made; the party to buy a spring bottom chair for measuring was done with a tape-line used Mr Blake to keep him from being jolted by surveyors which Mr Legere had borand wabbled to death while riding in on the Chatham Branch. If the organgrinder and his band meet Mr Blake at discovered that there was one foot off the the Junction they ought to strike up tape line, caused no doubt by constant "The rocky road to Dublin," to the use; so "Lazor," or Leper your statement is false on that point. Now, about the "big jobs." I will give the sales in order-J. B. Russell, 10 rods, at 13cts. per rod; Lewis Russell, 10 rods, at 16c. Yes, this is all very true; but if you look through this issue of the Star carefully you will see just "how much" there was in the charges made against Peter was in the charges made ag Legere. As to the "motives" of the

Province.

The Union Advocate has been informed that the trustees of the Newcastle school district have in contemplation that in future, when advertising for teachers, male or female, in addition to the usual references, the photograph of the teacher must also be supplied. This is probably done on the principle pursued by Barnum, who in hiring lion-tamers always insisted on having the photograph of the applicant sent in professional attitude.—News.

The Union Advocate has been inform missed, only that its brazen face is now so familiar, that in every case, where so familiar, that in every case, where we say to the front. Its bray is generally ways to the front. Its would be a covers the stones. This particular evening the water was as calm as a mirror and as blue as the sky above it, and the trees on the hills and bays around it in their greenness and leafiness, round-headed and massive, were all bathed in sunlight. We came to fields a little more barren-looking, where bare stone fences took the place of the rich hedge-rows, turned up a road that lay between these stony ramparts, and drove along for a little. I was wondering in my own mind about Captain Boycott. Did he, in there also. It would not be very much in its beauty, with its bays and islands be avoided by keeping it properly mind about Captain Boycott. Did he, in worked. his own consciousness, think he was do-ng right in his system of fines? He knew how small and miserable the wages were; he knew of the poor, comfortices homes and the 'amidrie o' wee duddy weans" that depended on the poor pennies the father brought home; he

spot where he was found. The murderer was hidden in the field opposite. The road was bare of the shelter of ditch or hedge, bush or tree. It was late, he was coming home alone; his police escort for some reason were not with him

that particular night. LORD MOUNTMORRIS WAS MURDERED, all the water of the Lough will not wash off. We drove along the road, a bleak and bare road, with a hill on one side of it and a steep slope down on the other, until we came to a small plantation, a

lodge gate, and drove up an avenue with Mrs. McDougall got a driver to take there, some grass land with a few beasts the ruins, and he complied in the kindest peasant to the point of taking the life of this man, I have found none. He was
