

King's County Convention.

Mr. James McIsaac, M. P., Unanimously Re-nominated.

The Liberal-Conservative meeting for King's County, for organization and nomination purposes held at Georgetown on Monday last, was largely attended, enthusiastic and, in every way, a splendid success.

Senator McLean, in an exceedingly fine address, nominated the sitting member, Mr. James McIsaac. In the course of his speech, the Senator referred to some of the good things that had been done for Prince Edward Island by the Government at Ottawa, since the advent to power of the Conservative Government, in 1911.

the government carried out work in many parts of King's County. The speaker alluded to work done at St. Peter's, Little Sable, the Sauris break water, Graham's Pond, Annandale and Bay Fortune.

It will be the duty of the electors now to stand shoulder to shoulder behind the government of the Right Hon. Arthur Meighen," continued Mr. McIsaac. "There never was a time in the history of Canada when it is so necessary that the fiscal policy of the country should be sustained.

From Monday, 26th September, up to and including Saturday, October 1st, tickets at One Single First Class Fare and One Third will be issued from all Stations to Charlottetown, good to return up to and on Monday, Oct. 3rd, 1921.

Supposing the barriers of protection were put down," he continued, "what would be the consequence? Situated as we are beside the United States, with a population of 110 millions or more, and with their manufacturers protected to such a high degree, they could dump their surplus products here until they had killed out or destroyed every factory in Canada.

Local and Other Items

The assignee ranking of the Patriot's political editor furnishes ample evidence that he is vigorously exercising from day to day, the same kind of an instrument as was used by Sampson in his attack upon the Philistines.

William Webber, 22, of Digby N. S., was arrested the other night by Chief of Detectives Horace Kennedy of Halifax, charged with having in his possession two antique mahogany chairs, valued at \$500, and missing from St. Luke's Church, Annapolis Royal, since the night of the great fire.

A large and enthusiastic Convention of the Liberal Conservatives of Queen's County was held in the Market Hall, Charlottetown yesterday. After the opening formalities Mr. Donald Nicholson, M. P., announced that he was retiring from active participation in the political fight, and would not be a candidate in the approaching contest.

On the invitation of the Chairman, Mr. McIsaac then addressed the meeting. He was received with rousing applause. He warmly thanked the assembled electors for their splendid nomination, and assured them that a reception such as this went far to recompense a representative for the worries that of necessity must come to every member, from time to time.

Now the Prices you've been waiting for are here

The old year took away, for ever, we hope, the old burden of war prices. For months conditions have been working toward the great climax that brought the remarkable merchandise that is here assembled for this our greatest January Carnival of Economy.

The results came in two ways: 1st. The drastic lowering of prices on our own stocks, down to the new low basis, and often far below it—to double your interest in January buying in our store.

2nd. We have combined the markets—taking utmost advantage of the opportunities created by far sighted manufacturers who were ready to co-operate with us in presenting to you now the lowest prices that will be possible, for the next six months, at least.

We can just see the delight of our Customers when they see the splendid assortment of goods, in every department of our store, and then realize that prices are away down to the bottom, where it is a pleasure to buy things.

Many Manufacturers have ACCEPTED LARGE LOSSES. We shall forgo a large part of our profits on the new goods and accept large losses on our own mark-downs—to inaugurate this first New Year under the New Management and

THE MOST STIRRING PRICE-UPSET THAT THIS COMMUNITY HAS EVER KNOWN.

No matter what you need or desire, now is the best time for months to come to buy it. Some of the reasons are told on this page; but scores of others are here that can get no mention today, even in this broad space.

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.
