Pinex Cough Syrup has a pleasant taste —children take it willingly. It stimulates the appetite and is slightly laxative— both good features. Spiendid for croup, hoarseness, throat tickle, incipient lung troubles, and a prompt, successful reme-dy for whooping cough.
Pinex is a special and highly concen-trated compound of Norway White Pine extract, and is rich in gualacol and other elements which are so healing to the membranes. Simply mix it with su-gar syrup or strained honey, in a 18-oz. bottle, and it is ready for use. Used in more homes in the U. S. and Canada than any other cough remedy.
