"You needn't stare so," he said, as soon as he had partially recovered breath; "I am the proprietor of the Helmford property - bought it for fifty-six thousand pounds of that young scape grace and spendthrift, Palliser-fifteen thousand pounds less than what it cost him, with the outlay he has made upon it. Signed, sealed, delivered, paid for vesterday. Ha! ha! ho! Leave John Linden alone for a bargan! It's worth seventy thousand pounds if it's worth a shilling I say " continued he, after a renewed spasm of exuberant mirth, 'not a word about it to anybody-mind! I promised Palliser, who is quietly packing up' to be off to Italy, or Australia, or Constantinople, or the devil-all of them, perhaps, in succession - not to mention a word about it till he was well off-you understand? Ha! ha! - ho! ho!' again burst out Mr. Linden. I pity the poor creditors though! Bless you! I shouldn't have had it at anything like the price, only for his knowing that I was not likely to be running about exposing the affair, by asking lawyers whether an estate in a family's possession, as this was in Dursley's for three hundred years, had a good and no mistake! Worth, if a penny, er-in-law's money, and lost it!' seventy thousand pounds. Ha! ha!

'Then you have really parted with that enormous sum of money without having had the title to the estate professionally examined?'

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for caring the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion and nervous prostration. It costs been worth millions to suffering women | minutes after he had disclosed the

'I ought, you think, to have risked losing the bargain by delay, and have squandered time and money upon fellows in horse-hair wigs, in order to ascertain what I sufficiently well knew already? Pooh! I am not in my se coad childhood yet!

It was useless to argue with him pesides the mischief, if mischief there to an actual test. vas, had been done, and the not ong-delayed entrance of the young couple necessitating a change of opic, I innocently inquired what he hought of the Negro Emancipation Bill which Mr. Stanley, as the organ of the ministry, had introduced a few evenings previously? and was rewarded by a perfect de nge of lequacions indignation and invectiv -during a pause in which hur'y burly of angry words I contrived to effect my

The question was addressed to m and I, like my partner, could not at the moment precisely recall why those names sounded upon our ears with a certain degree of interest as well as familiarity. 'Crowther & Jenkins!' I echoed. 'True; what do we know about Crowther & Jen kins? Oh. I have it !- they are the executors of a will under which young Linden's pretty bride, that is to be, inherits her fortune.'

'Ah! exclaimed Mr. Flint, as out down the paper, and looked me gravely in the face-'I remember now: their names are in the list of bankrupts. A failure in the gambling corn trade too. I hope they have not been speculating with the young woman's money's.'

The words were scarcely out of his mouth when Mr. Linden was announc ed, and presently in walked that gentleman in a state of considerable

'Positively so! rejoined Mr. Linden, with great heat. 'Drew it out many months ago! But they have exceedingly wealthy connections -- a least Crowther has-who will, I suppose, arrange Miss Arnold's claim rather than their relative should be arraigned for felony,'

Felony !- you are mistaken, my good sir. There is no felony-no legal felony, I mean-in the matter. Miss Arnold can only prove against the estate like any other creditor.'

'The devil she can't! Tom, then, must look out for another wife, for l am credibly informed there wont be a shilling in the pound.'

And sc it turned out. The great corn-firm had been insolvent for years; and after speculating desperatey, and to a frightful extent, with a view to recover themselves, had failed to an enormous amount -- their assets, ham's Vegetable Compound | comparatively speaking proving to be
