Are You Blue and Worried? Nervous? Some of the time really ill? Catch cold easily and frequently suffer from bilious ness or headache? The reason is that your system does not rid itself of the poisons in the blood; just as impossible as it is for the grate of a stove to rid itself of the poisons in the blood; just as impossible as it is for the grate of a stove to rid itself of the prevent itself of the store; make the fires burn low until enough clinkers have accumulated and then prevent its burning at all. Your liver is sluggish—you are dull and heavy—sleep does not rest, not is food appetizing. In this condition illness develops. Doctor Pierce's Golden Medical Discovery eradicates the poisons from the body—a glyceric alterative extract made from bloodroot, golden seal and mandrake root, stone and ger's root, without the use of alcohol. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in conse-

ratory for the constant manufacture of blood.

Mrs. Benj. Blake, of Port Dover, Ont., Box 36, writes: "I have been a great sufferer for years from throat trouble, catarrh, indigestion, female troubles, bloating, constipation and nervousness—at times I would be in bed, then able to be up again. Was under many different doctors care, and would get better for a little while, then I would go down with chronic inflammation all throagh me." For nineteen years I had this poison in my blood. After trying nearly everything I got worse. I read in The People's Common Sense Medical Adviger of Dr. Pierce's Golden Medical Discovery and Dr. Sage's Catarrh Remedy. I have taken the Golden Medical Discovery and Pleasant Pellets, and have used five bottles of Dr. Sage's Catarrh Remedy. I am now able to do my work and walk with pleasure. I feel like a new woman. I enjoy everything around me and thank God for letting me live long enough to find something that made me well again."
