Christmas Parcels. The Christmas rush is great in normal times. With millions of men under arms it is a tremendous strain on all Postal Staffs, and delays are unavoidable.

In the Old Country 75 per cent. of trained Postal Officials are with the Army, and their work is being done by untrained men and women.

For the Home parcels to reach England before Christmas, the sooner they are posted the surer will their timely delivery be.

Please pack securely. Do not use sharp edged boxes. Square boxes should always have their edges padded.
