# "BETTER THAN THE BEST!"

## New - Knit

Wool Underwear.

## IT IS THE BEST!

It is CHEAP, BUT NOT SHODDY!

It gives satisfaction. Once worn always worn, for it is THE BEST.

Every Newfoundlander will remember with pride the occasion on which the above words were used in reference to our brave soldiers, and every man who wears a suit of our Underwear will again have occasion to use the above words, for

that and then he wants to know why we can't have that." I wonder if my neighbor's plaint will find an echo in other feminitie

Not The Wife Who Is Usually Extravagant.

There seems to be a tradition in fiction that it is the wife who is a!ways pushing the husband on to exways pushing the husband on to ex-travagance. Now that may be true and have it labeled his own product. in the small upper class about which so much of our fiction is written, but it is my opinion, at least, that in the levery Tom, Dick and Harry has tried vast financial middle class, including to introduce. seventy-five per cent. of the wage earners of the country, the woman is usually the one who is holding back. She knows more about the value of money than the man. To be sure, he earns it, but in the majority of cases she is the purchasing agent, and nothing gives one a clearer sense of the,

money than that job. glimpses more clearly than her husband the fact that in finance, as in beef. feeding, you can't have your pie and

### Different Families Have Different Extravagances.

Take ten different families, each with the same income, and no two will have the same pet extravagance and the same pet economy. Now it is manifestly plain that if the head of any of these families assumed that because he had the same income as the rest he could indulge in the same extravagances as all of the other ten he would come to grief.

If one could know the inwardness

the one could doubtless write a most in greatest time with teresting book on the different ways neighbor of They Do Not Take One Magazine Or
