

There is NO 'To-Morrow'

You may have lived fifty years without illness or injury, but that is no guarantee you will not be disabled next week. If you do meet sickness or accident, it would be comforting to draw the monthly benefits of our "Eclipse" Policy, paying you \$40 to \$80 for only a few cents per day.

Many men are insurable TO-DAY, but they might NOT be TO-MORROW.

Better phone us right away—NOW, while you read this reminder, next week may be TOO LATE.
