

On Tuesday the engineers of the Stratford and Huron Railway Company, commenced the survey of the proposed new line of railway. They are accompanied by a full staff of assistants, and will push the work forward with all expedition.

A banquet was given at Iverson, Ont., on Tuesday evening, to William Kingford, C. E. in charge of the Iverhuron Harbor Works, and William Lundie, Inspector of the same, in recognition of the manner in which they have pushed forward the undertaking towards completion.

Man is one in whom both worlds do meet; his body participates of the lower, his soul of the upper world, hence it is that he finds such tugging and pulling this way and that way, upwards and downwards; both worlds as it were contending for this invaluable prize, the precious soul.

Nothing on earth can smile but human beings. Gems may flash reflected light, but what is a diamond dash compared with an eye flash and a mirth dash? A face that cannot smile is like a bud that cannot blossom and dries up on the stalk. Laughter is day and sobriety is night, and a smile is the twilight that lovers gently between, and more bewitching than either.

Special Notices.
THE RECENT CASE OF DEATH by strychnine poisoning, from taking SYRUP OF HYPOPHOSPHITES, noticed in the Montreal Daily Witness of August 1st, readers great caution necessary not to confound Dr. Wheeler's Compound Elixir of PHOSPHATES and Cellulose with COMPOUND SYRUP OF HYPOPHOSPHITES. Observe well the difference in orthography and bear in mind that medicinally there is no similarity in action or effect.
PHOSPHATES ARE ABSOLUTELY NECESSARY to sustain life, being an element of every solid and fluid of the body, and they are indispensable of injurious results at any period from infancy to old age, or under any possible condition of the system, and no more harm can result from taking more than the prescribed dose than from eating too hearty a dinner.

Co-Operative Store.
On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods," "To Sell at Half Price," "To Sell at a Great Sacrifice Irrespective of Cost," "To Sell 50 per cent. under other Houses," "To Keep the Largest and Best Stock in the Dominion."
We have carefully abstained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves.
Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price.
The result has been that we have done a steady, prosperous, and increasing business, retaining old and obtaining new customers. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle.
