An Important Revelation.

A remarkable incident in the campaign is reported from Fenelon Falls.

A meeting was held in that town in favor of Mr. Delamere, the independent, anti-coercion candidate, for North

Victoria. He belongs to the Clarke Wallace wing of the Conservatives. It was a joint meeting, all three candidates—Mr. Dickson being the Liberal

nominee—speaking. Mr. Delamere, the Wallace-McCarthy candidate, caused the sensation of the day by

reading a letter which he had received from Mr. Sam Hughes, the Tupper

nominee, pledging him a Government position if he would leave the field. The audience were naturally disgusted with

this revelation, and there seems to be every reason for believing that on

election day this political adventurer will be placed where he will be without

further influence in the granting of offices. Hughes must go with the other

members of the compact.

The Hamilton Spectator sneers at Mr. Hyman, the Liberal candidate for

London, as a whipper-snapper. This gentleman's argument against the people's

candidate is simply crushing.
