The Gold Medalist.
The examination results are most gratifying, as the papers set were considered pretty stiff. Mr. Jeffries, the gold medalist, has made a brilliant showing throughout his course, having won the scholarship in his third year, and maintained a high standing in each of the other years. He joins the staff of house surgeons at Victoria Hospital at once.

The Silver Medalist.
Clarence Brown has also made a fine record at the school, winning the scholarship during his first year, and being a close competitor for it every other year. He recently passed the examination for house surgeon in Mount Sinai Hospital, New York, being one of ten selected from a class of several hundred candidates. He assumes his duties in Mount Sinai very shortly.

House Surgeons.
Messrs. Poisson and Kidd have been appointed house surgeons in St. Joseph's Hospital.
Nelson George will join the staff of house surgeons at Victoria Hospital. The convocation has been set for the evening of May 2 and will be held in the Auditorium.

The standing is as follows:

"Aching Teeth Are Ill Tenants"

The popular notion that aching teeth should be extracted is often an extravagant as well as expensive remedy. Any dentist who extracts a tooth just because it is the wish of a patient, without consideration of saving it, falls in line with the best interests for his patients. After a little treatment an aching tooth is often made to serve the remainder of its life.

Save a tooth when ever it is possible to do so, as you can never tell when it will be necessary to extract an adjoining tooth.

HIS THROAT CUT.

Manila, April 23.—Lieutenant Albert N. Brunzell, of the First Brigade Marines, has been found dead in the rear of his quarters at Olanogapo with his throat cut. It is not known whether the young officer committed suicide or met with foul play. The naval authorities are investigating. Brunzell had just successfully passed an examination for promotion to a captaincy. He was appointed to the marine corps from Idaho, his native state, in February, 1900.
