are not cowards. The men of North Ontario have iron in their frames, and out of the strong cometh forth sweetness. They showed the tenderness that belongs to courage and strength. Such has ever been the history of ploneering, and these men are worthy descendants of the men and women who made Canada what it is. With the stuff that is in them, it would have been surprising if they had behaved other than well.

It is a relief to learn that the loss of life, as well as of property, has been, perhaps, overestimated. At South Porcupine, for instance, the estimated.

Saving and Investing

If you have learned the habit of saving, acquire also the ability to invest money judiciously.

Too many people have the impression that they are doing all they can when they regularly lay aside a portion of their income, and they keep their money at home and in other places where it lies idle.

Invest your savings in our debentures and they will earn 4 per cent interest per annum. Our debentures are issued for \$100.00 or more, and for periods of from one to five years. They are protected by the assets of this institution amounting to \$13,000,000.00.
