POWELL DEALINGS NOW UNDER PROBE

Garland Is Mixed Up With Clerk's Appointment As Buying Agent.

RATING SHOWN AS HIGH

Witness Says Bank Letter Rated Clerk At Over

> \$20,000. [Canadian Press.]

Ottawa, June 25.-W. H. Tilley K. C., of Toronto appeared as counsel for F. Garland, M. P., when the army contracts inquiry was resumed him, J. B. Donaldson, a militia de-partment clerk, said he had gone to Garland's drug store and examined prices on the Bauer & Black infor medical supplies in order to of for medical supplies in one the compare them with the prices the compare them with the prices the drug clerk Powell was charging the department. He was unable to say whether any large payment was made ond time within little more than a 25 .- The Overseas News Agency today

to Powell after this comparison. Director of Contracts H. W. Brown, cross-examined by Mr. Tilley, said he manufacturer's prices, plus 5 per cent, Velma Levitt, the 3-year-old daughter ernment to fix, through a Swiss commistheir agent. He would not admit that before the payment of \$11,863 to Powell he knew the department was not getting that rate.

"Rough Estimate." Mr. Brown sald the first estimate of the Powell contract was \$20,380, "but was a rough estimate," he said when asked if he knew that the goods were supplied at \$20,747.

anywhere else in the Government." Mr. Garland, he said, then phoned him to see whether his firm could supply field dressings. He (Garland) said he was going after business in that

Garland's Suggestion. "Did Garland not suggest the appointment of Powell as agent because firm) could not handle the business?"

asked Mr. Thompson. certain amount of truth in that." produced from some bank rating Powell at between twenty and thirty thousand dollars, there were no formalities. I suppose Garland had discussed the

Herr Braun, Socialist, was the next speaker. He said the Socialists did not deny that the German people must seand together against their in nerable enemies. He referred to the fact that certain persons are talking about continuing the war in order to realize "wild plans of annexation." No Annexation.

ple wish imperatively that no opportunity for securing an early peace be been advocated by one German ruler. Democracy is opposed to these objectionable projects, if only for the reason that they prolong wars and the consequent unheard of sacrifices and wasting of the strength of the people. The German people want no conquests," Herr Braun declared; want no annexation. They do want peace without bringing humiliation or subjection to other peoples."

Disapprove Speech. Herr Delbrueck, Prussian minister of the interior, made answer to Herr Decided on by Inter-Denominational Braun in part as follows:

While we are involved in such war as this we can have but one thought, namely, to terminate it in a way that will make a repetition im That is the goal which the imperial chancellor and the allied some time during the second or third governments have set themselves, and that is the goal you must strive for

These words from the minister were greeted with evidences of disapproval from the Socialist members present.
