TRUSTEE SEEKS CAUSE OF DELAY

A. E. Silverwood Desirous of Progress in Board of Education Work.

Where is the "colored gentleman in the woodpile," as Trustee A. E. Silverwood terms it, believed responsible for any hitch in board of education procedure.

As chairman of No. 3 committee of

the board, Trustee Silverwood, in-ferring Thursday morning that it was time "for a cliean-up" in that direction, gave the assurance that the trustees would soon gather in session and "proceed along the lines of determining just who this party

Wilson," the chairman commented, "the casual observer would be impelled to believe that the city councillors intended to inspect our pare plans for the buildings and then

"It would appear that there was man. no real need for a board of educain this city any longer. The city council can get along nicely, evidenty. We might be considered as an innecessary evil, as it were. While the mayor talks about the trustees ot being able to find out what they want, I may tell him that we found out long ago. The trouble with him is that he can't just see our view

Trustee Silverwood gives the assurance, however, that events will progress now with but little delay.
