

When You Can Be Well, Why Be Sick?

Why Suffer Delay and Grow Worse?

Enjoy Life—Health—Happiness

To Have No Back Pains, No Nervousness, No Kidney Disease, With Plenty of Life, Energy and No Blood Disease, Is the Wish of Every Young, Old or Middle-Aged Person.

To you—if you are sick—if you suffer—if you are afflicted with any ailments of MEN—if you are worn out, tired or failing, if you need medical advice—if you are not in perfect health—if life is a dragging, miserable existence—if you lack energy, vim and vigor that make life worth living, to you—rich or poor—young or old—you need my treatment at once.

Nerves and Blood Are Life
The lack of nerve force is found among men of all ages. This is true with men in all walks of life, from the day laborer to the mechanic or professional man. Merchant and clergy are alike sufferers—no man is exempt from the ailment who has rebelled against nature's laws, so if you have the result of overwork, dissipation, sedentary habits or worry, and your vital organs are disturbed, remember, delay in seeing the right doctor makes it more difficult to overcome the symptoms, and you might reach an incurable condition beyond relief if you delay too long.

My Equipment
Is composed of the latest and best known agents in Electrical, Surgical and Mechanical Apparatus, and I am prepared by the knowledge of their uses and the experiences in prescribing them so as to get the greatest uniform results from them.

I Am Prepared to Give You
Serums, Extracts, Vaccines and any and all forms of treatment of this character that have been tried and proved a success.

YOUNG MEN—THINK OF YOUR FUTURE

How about it, are you qualified to face it—are others doing more and getting more out of life than you are? Find out, if you don't know already, what is dragging you down. No one can violate nature's laws and succeed. I have helped thousands physically, mentally, morally. Believe it (as I have thousands of other men), can help you. Just be frank and tell us your troubles. Let me help you to regain and maintain your health.
