Mr. Corbett, who is leaving the lores after fifteen years' service, was made the recipient of a beautiful and costly gold watch and chain. The presentation was made by Inspector Stuart, who tendered to Mr. Corbett the esteem and best wishes

tension of the street railway on Dundas street, from Queen to Dufferin streets. The railway will strike Dufferin street at a listance only 950 feet from College street, naking the far end of College street more accessible than any part of it west of Bath urst. Building operations will rapidly follow the line of the new rail. At about five o'clock yesterday afternoon John Ford was arrested at the corner of

John Ford was arrested at the corner of Yonge and Queen streets by P. C. Vaughan, on a warrant charging him with threatening to "fix" Mary Ford. The prisoner prov-ieg ugly, night-watchman Smith went to the assistance of the constable, and got bitten on the thumb for his pains.
being searched at the Central station loaded revolver was found en him, and a second charge of carrying firearms contrary to the Blake act was entered against him. —"And fools who came to scoff remained to pray." We receive many letters from those having tried while doubting, yet were entirely cured of Dyspepsia and Liver troubles with Zopesa. Clergymen write us earnestly certifying to its wonderful effects.

THE FIRST BLOCK. Yesterday the contractors started to lay

on Yonge street. They made slow progress.
The Globe announced that the contractors would put down about one hundred feet a day. Yesterday they did not lay more than one-tenth of that distance. Perhaps they will do better when they get their hand in. At the present rate of progress it will be a month before the street is blocked up to month before the street is blocked up to Queen. In laying down the blocks ten times the number of men at present employed could be profitably kept at work. Large crowds watch the operation of making the recovery which is quite an interesting one. The injector for the merchants is rejecting a considerable number of the blocks.

MR. PHIPPS AND HIS QUERIST.
To the Editor of the Toronto World.

SIR,—I can readily sympathize with the sentiment in the last part of Mr. Phipps' reply to my queries, in which he alludes to the "peculiar description of gratitude extended to the peculiar description of gratitude extended to the p tended to those who, by gratuitous thought or utterance, attempt to benefit the public." The circumstances are too recent for us to forget how this gentleman's name was sounded with lofty praise and his words scattered abroad and quoted all over the land; but, once his flatterers had gained heir object, he was thrown aside like a

their object, he was thrown aside like a last year's almanac.

After the hint he has given as to the value of his time, I feel somewhat unwilling to trouble him with any new questions; but as protection or free trade is certainly one of the most important questions presented for our consideration, I shall, with your permission, still take the liberty of seeking for some further explanations. was fined 83 and costs or sixty days.

Exploren is exercised over an elopement that to ke place the other day, the parties interes a sheing a daughter of a well-know surface and young man in his capital the parents objected to the choice of the daughter, hence the elopement.

While a would be Blondin named Hugh Walker was walking along the top of the femce a the north bank of the railway trick between Peter and Brock streets, in excitations, still take the liberty of asking for some further explanations.

Mr. Phipps states that "it is a direct falsification that there is free trade between the struction, both by precept and example, in those broad moral principles of the Christian that there is from San Francisco to New York, from the Gulf of Mexico to the Canadian border, from state to state, from town to town, north, south, east and west, just as people please, without let or bindrance, the linhabitants of the United States."

Mr. Phipps states that "it is a direct falsification, both by precept and example, in those broad moral principles of the Christian that there is free trade between Roman Catholics and Protestants, or among the various Protestant Consumption, both by precept and example, in those broad moral principles of the Christian that there is free trade between Roman Catholics and Protestants, or among the various Protestant Consumption, both by precept and example, in those broad moral principles of the Canadian border, from state to state, from town to town, north, south, east and west, just as people please, without let or bindrance, the inhabitants of the United States."

Mr. Phipps states that "it is a direct falsification that there is free trade between Roman Catholics and Protestants, or among the various Protestant Consumption, and which tended to fortify the youth from the Canadian border, from state to state, from the Cult States have to under-the product of the United States."

Mr. Phipps are decine and procedure, from state to state, from the Cult States have the bindrance, which can States have the most absolute free trade, a

privilege guarded with the greatest jealousy, any infringement with which would not be endured for an hour. What Mr. Phipps can possibly mean by saying that this statement "is a direct faisification introduced by the saying that this statement is a direct faisification introduced by the saying that the facility is to me.

HIGH SCHOOL SECTION duced by the foreign importer" is to me inexplicable.

In my former letter I asked if a protect

tive tariff would be a good thing anywhere. If I understand Mr. Phipps' doctrine, he teaches that the Canadians are,

OFFICERS OF THE CONVENTION AND SECTIONS.

on Religious Instruction in the Public Schools

—Uniformity of Text Books—Address by on Rel gious Instruction in the Public Schools
—Uniformity of Text Books—Address by
S. P. Bobins, LL.D., of Montreal.

Yesterday was the closing day of the convention. The morning as usual was occupied by the meeting of the different sections, which besides transacting other business elected their officers. In the afternoon the convention met and elected its officers. The president of University college delivered an address on religious instruction in the public schools, and there was a discussion on the uniformity of text books. The principal event of the evening was the address by Mr. Robins of Montreal.

The principal event of the evening was the address by Mr. Robins of Montreal.

The principal event of the evening in the principal and practice of kindergarten work. Carried unanimously.

PUBLIC SCHOOL SECTION. three delegates, who shall be full members of this association. That any teacher or instructor may be a privileged member upon payment of fifty cents, such privileged member to be entitled to all the privileges. of this association except voting at the election of members, or when yeas and nays are called. For the purpose of representation the section to be considered a local

Mr. James Dancan, Windsor, delivered an address on Model schools and school-work, which was listened to with great attention. A hearty vote of thanks was passed to Mr. Duncan. Owing to the apaching close of the session no discussion took place on the subject.

over supply of Teachers.

The committee appointed to draft a resolution embodying the views of the section on the question of over-supply of teachers, submitted a series of resolutions, which, as amended and approved by the section, are

expressing his satisfaction at the manner in which the meeting had been conducted, and the increased esteem in which the

profession was being held. INSPECTORS' SECTION. charman, J. S. Carson, Strathly secre-tary, D. A. Maxwell, Amherstburg; direc-tors, J. L. Hughes, Toronto; J. Dearness, London; D. Fotheringham, Aurora; E. Scarlett, Cobourg; J. W. Dafoe, Belleville; legislative committee, J. L. Hughes, Toronto; J. S. Carson, Strathroy; D. Fotheringham, Aurora. DEFECTIVE TRAINING AND A BAD CLAUSE.

The following resolutions were carried:
That in the opinion of this section the professional training of first and second-class teachers is quit defective, and the attention of the hon. the minists of education is respectful, directed to the recessit of a thorough investigation into the character of the lectures delivered in the manual schools, and into the methods of training practised in the mode schools. hools.

That it is the opinion of this section that clause

as derimental to the best interess of education.

A DAY'S WORK IN SCHOOL.

Tr. Dearness introduced the subject of a day's work in school. A general and profitable discussion was held on the sub-

MISCELLANEOUS.

Mr. Herder of Strasburg also read a paper on the uniformity of text books. He thought the present uniform series should be preserved.

A long and desultory discussion followed

where. If I understand Mr. Phipps acctrine, he teaches that the Canadians are, or can be, enriched by customs duties along the St. Lawrence. Now I am asking a perfectly legitimate question when I enquire if the same benefit would accrue to Kansas establishing customs duties along the Mississippi.

If it is a good thing for Ontario to be girdled on two sides by a protective tariff, would it not be an improvement to apply the same system so as to stop imports from Quebee? Surely no protectionist should be afraid to answer simple questions like these, and to give some satisfactory explanation why a good along one border.

I am sorry that Mr. Phipps has evaded these questions. Should he think that I misunderstand his reply when I say that and the distinct of the grant be given on general average attendance, and that in addition to the amount paid for feachers' salaries.

That aportion of the grant be given on general average attendance, and that a further sum, say 38 per pupil, be granted on the average attendance of the statute relating to the establishment of collegiate institutes should be repealed in so far as regards the required attendance of a certain number of boys in Latin or Greek.

That any high school or collegiate institute be one-fourth of the amount paid for feachers' salaries.

That he fixed trant to each high school or collegiate institute be one-fourth of the amount paid for feachers' salaries.

That he fixed the fixed by the committee:

That the fixed trant to each high school or collegiate institute be one-fourth of the amount paid for feachers' salaries.

That he clause in the statute relating to the establishment of collegiate institute, and should receive a special grant of say' \$400, on condition of its employing five teachers, four at least to be matters, and manutaining an average attendance of not less than 120'; and that in addition to the committee:

That the fixed the fixed by the committee:

That the fixed by the committee:

That the fixed by the conmittee:

That the fixed by the cond

stand, except No. 4, to which the following amendment was carried:

That in the opinion of this section collegiate institutes should continue to exist, but that the basis of establishment and continuance should be broadened by including girls as well as boys, and by recognizing other studies as well as Latin and Greek.

The following additional resolution was convied:

carried:
That in the opinion of this section no school should receive a total grant of less than \$400, or more than the legislative grant paid to any school this year.
This closed the discussion on the report. The following were elected as the executive committee: Messrs. McHenry (chairman), Fessenden (secretary), McMurchy,

tive committee: Messrs, Seath, Millar Thomas), and Hunter (Waterdown).

THE CONVENTION. The convention met at 2 p.m. The fol-lowing officers were elected: President,

Moved by Mr. Hughes, seconded by Mr. A. S. McGregor, that in the opinion of this association the 29th clause of the amended school act of 1879 should be rescribed, or so amended as to place no restrictions on school boards in providing additional school accommodation where the existing accommodation is insufficient. Carried unanimously.

EXPENSES OF COMMITTEES A motion was also passed providing for the payment of the expenses of the execu-tive committee and committee on legisla-EVENING SESSION. After the reading of the minutes, Mr.

The officers.—

The election of officers for the section was then proceeded with, with the following result: chairman, Richard Lewis, Toronto; secretary, Wm. Rannie, Newmarket; directors, C. Campbell, Ottawa; David Boyle, Elora, R. Alexander Galt; W. H. Colles, Chatham; Wm. McIntosh, Madoc; legistative committee; S. McAllister, R. W. Doan, F. S. Spence, Toronto. Votes of thanks were passed to all the retiring officers.

MODEL SCHOOLS.

After the reading of the minutes, Mr. McMurchy proposed that the name "Ontario Society for the Advancement of Education" be replaced by the old title, "Ontario Teachers' Association." The idea met with general approbation, and the change of name was unanimously resolved on.

The chairman the minutes, Mr. McMurchy proposed that the name "Ontario Society for the Advancement of Education" be replaced by the old title, "Ontario Teachers' Association." The idea met with general approbation, and the change of name was unanimously resolved on. The chairman then introduced Mr. S. P. Robins, LL.D., inspector of Protestant schools, Montreal, who delivered an address on the relation of the will to the intellect in education, for which he received the thanks of the audience. The question of

Fall of an Acrolite in San Francisco Bay (San Francisco Call, July 31.) vesterday morning, in the bay near Goat Island, from a description given to a Call Island, from a description given to a Call reporter by various persons on the water front, must have been a sight seldom witnessed by man. Hearing that an old fisherman had been on the bay near where the aerolite fell, the reporter looked him up and got the following story:
"Yes," said he, "I was near the place when that meteor fell, and let me say right.

here I don't want to be there when the next one comes down. I tell you what, young man, I've been in a good many close places and skipped. one comes down. I tell many close places man, I've been in a good many close places in California, fighting grizzlies and standing off Mexicans in '49, but I never said my prayers as many times in a second as I did when that meteor lit out for the bay this when that meteor lit out for the bay this when that meteor lit out for the bay this is coming to America in October. He says on his arrival in New York he will be ready on his arrival in New York he will be ready on his arrival in New York he will be ready on his arrival in New York he will be ready on his arrival in New York he will be ready on his arrival in New York he will be ready on his arrival in New York he will be ready when that meteor lit out for the bay this morning. I was going across the bay to the Oakland flats to set my nets, as I do most every morning. Well, when I got almost opposite the island, all of a sudden it got so light that I thought the whole Edison electric light business had exploded right over my head. I miled for the island. right over my head. I pulled for the island as hard as I could, for I have always had a as hard as I could, for I have always had a holy horror of making fish bait of myself. I had not made two strokes when I got all-fired hot, and I looked around and was just in time to see the grandest and terriblest sight these old eyes ever looked upon. Not ten feet from me the meteor struck the water. It looked as large as a horse. When it struck you could have heard the hissing almost a mile. I never heard anything like it before. Almost as soon as it went under, my boat was over the spot and the water was bubbling and steaming as though a young volcano had broken out."

"Do you think you could find the exact place where the meteor struck?" ssked the reporter.
