PALMS FOR THE CATHOLICS.

From the Charleston News.

Twenty thousand palmetto heads are lying at the head of Adger's wharf. An inquisitive reporter yesterday discovered the fact that they were destined for New York via the steamship City of Atlanta. Further inquiries elicited the fact that the palmetto leaves came from the sea islands of South Carolina, and that they are intended for use in the Catholic churches of the north on Palm Sunday. The shipments are made every year, commencing about Ash Wednesday and ending about Easter. It is estimated that not less than 200,000 palm branches are shipped from Charleston every spring.

Frightful Waste.

—Consumption carries off its thousands of victims every year. Yes, thousands of human lives are being wasted that might be saved, for the fact is now established that consumption, in its early stages, is curable. Dr. Pierce's "Golden Medical Discovery" will, if used in time, effect a permanent cure. It has no equal as a remedy for bronchitis, coughs and colds. Its efficacy has been proved in thousands of cases. All druggists.

Enjoy Life.

—What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that *Green's August Flower* will make them free from disease as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as billousness, indigestion, sick headache, costiveness, nervous prostration, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of *August Flower* will prove its wonderful effect. Sample bottles, 10 cents. Try it. 135

Something "Odd"

—In the line of gents' furnishings. Rogers, on the corner of Elm and Yonge-streets, is showing oddities in gents' neck wear and fine fancy colored shirts, with three collars and cuffs separate, for only $1. We excel in our specialties: gents' neck wear and fancy colored shirts. Fifty cent braces reduced to 25 cents. 36

Bargain Day.

—A system was inaugurated by McKendry & Co. last year, namely, that one day in the week be made a Bargain Day, and on that day will be laid out on the tables and counters hundreds of attractive lines purchased below cost at exceedingly low prices. Last Monday was the first Bargain Day of the season and was a grand success. Crowds of people carried away thousands of bargains from the Waterloo House. 246

A Popular Photographer.

—No photographer is better known, more liberally patronized, or gives better satisfaction to his customers than does "Lemaitre," 324 Yonge-street, well known as the most artistic photographer in the city, his winter scenery giving his patrons a lovely and realistic picture of "Canadian Life" exact. 2361
