

THOUSANDS WATCH ENTRANCE OF 1924

Fitting Ceremonies and Celebrations Held In Western Ontario

SARNIA, Jan. 1.—The holiday period over, the New Year was one of the quietest in its history. The absence of frost left the skaters, curlers and hockeyists without ice and for the holiday there was apparently only the usual family reunions, with festive turkey as

the rallying point. Saturday's market was almost devoid of turkeys, but geese and ducks were in abundance at 25 cents.

Last night the Golf Club and friends saw the old year out and the new year in at a jolly dance at the clubhouse, and the Canadian National Athletics staged a big dance in the city hall. At midnight the solemn tolling of the bells told of the passing of another year. All day yesterday the city was enveloped in a dense fog, the darkness causing the merchants to turn on the hydro lighting all day.

NO DISORDER.

WINDSOR, Jan. 1.—The curfew did not ring last night in Windsor, and while thousands were at watch services and on the streets, noisily welcoming in the new year, there was no disorder.

"My orders were not to interfere with anybody having a good time," said Chief of Police Thomson. "My police and detectives have enough to do pursuing criminals without molesting celebrators."

Drinking, if any, was confined to the home and there were no arrests for violations of the Ontario Temperance Act.

The florists' slogan, "Say it with flowers," could be easily applied to New Year's salutations here with the roses picked out of the home garden. Dandelions are blooming on the lawns, crimson rambler roses are budding and cheery blossoms are reported in the countryside.

RADIO SERVICES.

WOODSTOCK, Jan. 1.—The new year was ushered in quietly in Woodstock.

Rev. E. J. Rouillon. Interment was made in Sylvan Cemetery.

SUDBURY FIRE LOSS IS PLACED AT \$18,000

SUDBURY, Jan. 1.—Adjusters have placed the loss by Sunday's fire at the Sudbury Construction and Machinery Company's plant at approximately \$18,000. Many patterns belonging to mining companies and individuals were destroyed, and these may run into several thousand dollars more. The origin of the fire is unknown, but it is believed to have been caused by defective wiring. It is understood the loss is covered by insurance.

DEATH OF MRS. BROOKS.

BRANTFORD, Jan. 1.—The death reported yesterday of Mrs. Edie Brooks, wife of John Brooks, Tutela Heights, which occurred suddenly at the hospital, until a few days ago, in fact, had her Christmas dinner at home. Sudden complications, however, necessitated an operation, from which she did not recover. Her husband is the only immediate survivor.

FLUFFY SCARF.

Kit fox scarfs are very popular and it is expected they will be more so in the spring. This skin is small, but still has enough fluffiness to make it fluttering without being bunglesome.
