#### ALL WEAK WOMEN.

#### Will Find New Health and Strength in Dr. Williams' Pink Pills,

The weak woman can depend upon it that her blood is out of order, for if her blood is rich and pure she will be strong, healthy and happy. Bad blood is the cause of nearly all the aches and pains from which women suffer. Keep the blood rich and red by the use of Dr. Hamilton's Pink Pills and suffering will not exist. Mrs. James R. Kratz, of Jordan Station, Ont., has tested the value of these pills and strongly advises other women to try them. She says: "For more than a year I was a great sufferer from weakness. I was completely worn out. I lost flesh; could not rest at night, and in the morning I arose more tired than on going to bed. I had taken doctors treatment with no benefit. I grew worse day by day and was beginning to look upon myscase as hopeless when I was advised to try Dr. Williams' Pink Pills. To my great joy before I had taken the pills a month they began to help and by the time I had taken eight boxes every symptom of my trouble had left-que and I was once more enjoying perfect health and strength. I look upon Dr. Williams' Pink Pills as a veritable life saver and was once more enjoying perfect health and strength. I look upon Dr. Williams' Pink Pills as a veritable life saver and never lose a chance to recommend them

to my friends." The success of Dr. Williams' Pink Pills In success of Dr. withams Fink Fins is due to their power to make new, rich, red blood. This new blood strengthens the nerves and gives nourishment to all the organs of the body, thus cures anaemia indigestion, neuralgia, rheumatism nervous debility, headache and backache, and all the secret ailments of girlhood and represented. The pills are sold by all womanhood. The pills are sold by all medicine dealers or may be had direct at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

### G. T. R. ENGINEER HURT.

### Struck by a Waterspout at Strathroy.

John McLarty, a well-known passenger engineer on the Grand Trunk, who runs on the passenger train known among railroad men as the "Sarnia Dude," met with an accident Wednesday afternoon at Strathroy coming into London that might have resulted serious London that might have resulted seriously for him says the London Free Press.
The train stopped at Strathroy about ten minutes after one in the afternoon to ten minutes after one in the afternoon to take water, and Mr. McLarty climbed up on the tender to assist his fireman. He was standing on the coal just beside the opening when the fireman released the opening when the fireman released the water and it came down the pipe with a rush. The spout came with it, and Mr. McLarty was thrown from the tender, the heavy spout striking him on the head gashing it and knocking him unconscious. He lay for fully two minutes before he recovered and then, although very weak, climbed into his engine and brought his train into the edity. He was attended upon his arrival by Dr. Seaborne, who told him to lay up for a few trips.

# Footsore Douks Reach Winnipeg.

Winnipeg, Man., July 31.—Twenty-seven Doukhobors, men, women and children, footsore, hungry and weary after their long tramp over the roads between Swan River and here, a distance of near-Swan River and here, a distance of near-ly 300 miles, have arrived in the city, coming in by way of Portage road. Since early Saturday reports of their nearing the city have been coming in and today large numbers of people went out the road to see the strange people. They did not arrive as soon as expected, and it was dark when they reached the city.

dark when they reached the city.

The Doukhobors are looking for a warmer land where they do not need to work, and where they expect to find the Messiah. They are clad in pink night robes, and have been living chiefly by begging while on their pilgrimage.

Up to the present time they have not been molested by police authorities at any of the towns they have visited, but on Saturday Mayor Ashdown, of Winnipeg, gave orders to the local police that they should be prosecuted on the slightest provocation. What charges they may be arrested upon, if any, have not been determined by the police, but if they are found begging they will in all probability be taken up as vagrants. taken up as vagrants.

#### Will Publish Results.

For the first time in four years the complete results of the departmental examinations will be published. It is expected that they will appear in ten days or two weeks.

Four years ago the education department ceased publishing the results of the examination owing to the complaints of some of the smaller high schools that invidious comparisons were being made, detrimental to the interests of the school. trimental to the interests of the school.

Instead of this, the results were sent to different principals and made known by them. This, however, was found to cause numerous delays owing to the absence of the principals on their holidays.

The results this year will be published according to counties, and not by schools.

#### Army World Pest.

Windsor, July 30.—A species of the army worm has appeared in the southern army worm has appeared in the southern part of the country and is doing considerable damage. It has attacked peas, to-matoes, tobacco, and is particularly fond of clover. One farmer ploughed up a field of oats that was ruined. Others have had tobacco fields entirely stripped and acres of peas have disappeared in a night. The pest gets in its fine work afterdark.

An expert from the Guelph Agricul-

dark.

An expert from the Guelph Agricultural College came up and issued instructions how to fight the grub. He found that the pest devours almost any kind of green plant and will climb trees and eat the foliage. During the night it hides itself half an inch or so under the soil. He advises the farmers plough furrows around their fields and dig holes about twelve feet apart. The caterpillars will. twelve feet apart. The caterpillars will-fall into the holes and may be scalded to
