SEVERE COLD ON LUNGS AND CHEST QUICKLY RELIEVED

by Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne

Mr. J. Seward, Bromptonville, Que., writes:

"Two weeks ago I took a severe cold which settled on my lungs and my chest was very sore, breathing tight and severe hacking cough. I was feeling miserable. I bought a bottle of Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne and after a few doses I felt great relief and I went into a sound sleep, a thing I was not able to do for some nights. Next day I was able to be around again, and before completing the bottle, felt as well as ever. It is a fine cough and cold cure."

Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne relieves the irritation and "stuffed-up" feeling in the sinuses, soothes the tickling which makes you cough, loosens the phlegm and drives out the cold before it gets troublesome.

In 25c and 50c bottles, at your Druggist's, National Drug and Chemical Co. of Canada, Limited.
