The object of the Province in founding and maintaining this Institute is to afford education and advantages to all the youth of the Province who are, on account of deafness, either partial or total, unable to receive instruction in the common schools.

All deaf mutes between the ages of seven and twenty, not being deficient in intellect, and free from contagious disease, who are *bona fide* residents of the Province of Ontario, will be admitted as pupils. The regular term of instruction is seven years, with a vacation of nearly three months during the summer of each year.

Parents, guardians or friends who are able to pay, will be charged the sum of \$50 per year for board, tuition, books and medical attendance will be furnished free.

Deaf mutes whose parents, guardians or friends ARE UNABLE TO PAY THE AMOUNT CHARGED FOR BOARD WILL BE ADMITTED FREE. Clothing must be furnished by parents or friends.

At the present time the trades of Printing, Carpentry and Shoemaking are taught to boys; the female pupils are instructed in general domestic work, Tailoring, Dressmaking, Sewing, Knitting, the use of the sewing machine and such ornamental and fancy work as may be desirable.

It is hoped that all having charge of deaf mute children will avail themselves of the liberal terms offered by the Government for their education and improvement.

The regular Annual School Term begins on the second Wednesday in September, and closes the third Wednesday in June of each year. Any information as to the terms of admission for pupils, etc., will be given upon application to me by letter or otherwise.

R. MATHISON,
Superintendent
