

# *Rochester Business University* BOOK-KEEPING.

---

## A BEAUTIFUL WORK ON A NEW PLAN.

---

By a simple, fascinating and effective system of illustrations and explanations, a thorough knowledge of Book-keeping is acquired by the student with comparatively little labor on the part of the teacher. It is pronounced by the most eminent commercial teachers of the country

### BETTER THAN THE BEST.

---

More than Eight Hundred Leading Schools and Colleges  
have adopted the work since it came from the press less than three years ago, with sales aggregating 40,000 Copies.

---

### Some of the Reasons Why it has been so Successful:

It simplifies the subject. It fascinates the student. It redeems the labor of the teacher. It promotes self-reliance in the pupil. It is practical and abreast of the times. It contains over forty pages of engraved penmanship. It increases the patronage of the school. It advertises only the school using it. It is accompanied by a Reference Book and Key, *for schools only*. It contains more solid, practical work for the pupil than any other book of twice the number of pages. It is accompanied by suitable blanks. It is sold at a very low price.
