Adopted.

On motion,

Resolved, That a Committee be appointed to consider the best means of extending the circulation of the Athenæum newspaper.

Brothers G. A. Blanchard, Sterns, and Dr. Tupper, were appointed a Committee for that purpose.

On motion of Charles Blanchard,

Resolved, That the thanks of this Grand Division be tendered to the Brethren in the City, for their hospitality during the sitting of this body, and particularly for the handsome entertainment on Wednesday last, to which the members from the country were invited as guests.

On motion of Rev. Dr. Cramp, seconded by Bro. Robson,

Resolved, That as the repeal of the existing License Law, and the enactment of a prohibitory statute can be accomplished only by the most strenuous exertion of the advocates of these measures, this Division hereby expresses its deliberate opinion, that the Sons of Temperance are bound to adopt such a course of conduct in the discharge of their civil duties, and the exercise of their civil privileges, as that effective legislation on the above mentioned subjects may be secured.

Passed unanimously.
