THE CANDIAN DAIRY SUPPLY CO.,
MONTREAL, P. Q.

GENTLEMEN.—Now that we have our creamery in operation and all the 30 Baby Separators placed, we thought perhaps you would like to hear from us.

It is with pleasure we say that the Creamery outfit is most satisfactory, and to add that our patrons are "delighted" with the Baby Separators, is using a mild term, more particularly as the majority of our Dairymen looked upon the promised results as the "Stock in Trade" of the talkative agents. They have, however, got over that stage and have now settled down to solid work, which has given us encouragement and confidence in the enterprise that will be of great advantage to stock raisers, who will have their own milk feed in a normal condition without artificial heating. The expert assistance you gave us was of the utmost importance to the success of the undertaking in explaining and creating confidence in the minds of our Patrons, who are with us solid now.

We have the proof already of the uniformity and smoothness of the cream from the Alphas as compared with that from another make, which is quite lumpy and unsatisfactory.

Yours faithfully

ARNPRIOR CREAMERY ASSOCIATION.

Arch. Russell.
