

Mr. Sproule has introduced a bill at Ottawa to compel detective and mercantile agencies to register with the names of the partners, etc., with the secretary of state and deposit a bond of \$10,000 for proper performance of duties, to provide for their being wound up and to forbid them acting as collecting agents.

The Delineator for June is called the "Summer Number," and is a superb issue in every respect, the amount of practical and interesting reading matter being largely increased. The article in the Collego Series describes A Girl's Life and Work at Smith, and is written by a recent and brilliant graduate. There is also a very suggestive and entertaining paper on A Grammar School commencement. Nursing as an Employment for Women is ably treated by Louise Darche, Superintendent of the New York City Training School for Nurses. An appropriate "pattern" article, in addition to the regular monthly issue, is on Dress for Summer Sports; and another, equally suitable to the time, gives information on Trunks and Trunk Packing. The opening chapter on Vocal Culture, by the author of Delsarte Physical Culture, begins in this number, and should prove as beneficial as the series just closed. The papers on Hygienic Living are continued; and the confidence that should exist between Mother and Daughter is the theme of the article bearing that title. A Rosebud Party is described, and other contributions are: How to Serve Small Fruits, Daintiness in the Home, the ever popular Tea Table Gossip, and Among the Newest Books. The articles on Knitting, Tatting, Netting and Crocheting show many original and attractive designs. The subscription price of The Delineator is \$1 a year. Single copies, 15 cents. Address orders to The Delineator Publishing Co., Ltd., 53 Richmond street, west, Toronto, Ont.
