COUNTY OF LAVAL.

The annual exhibition of the above County took place at the charming Village of Ste. Rose. The weather was remarkably fine, and a very numerous gathering of the farmers of the county, with their wives and daughters, were present.

The number and quality of the animals and articles exhibited far exceeded any previous show. 262 entries, in the various classes, were recorded in the Secretary's Books.

Our attention was much drawn to the show of mares, and their foals; upwards of 20 were on the ground. The show of swine far exceeded anything we have seen in this neighbourhood before. A large party sat down to dinner at M. Mantha's Hotel. Among the persons present we observed, Hon. M. Morin M. P. P., J. B. D'Aoust, Esq., M. P. P.; J. G. A. Turgeon, President of the Terrebonne County Society, &c., &c.

The Terrebonne Brass Band was in attendance, and played several airs both on the ground, and at dinner. The whole affair went off with the greatest harmony and good will. The following is a list of the awards:
