This paper is published every week the Town and City Clerks, Town and City Engineers, County Clerks and County Engineers, Purchasers of Municipal Debentures and leading Contractors in all lines throughout Canada.

Vol. 12

AUGUST 14, 1901

No. 25

TENDERS FOR GRANOLITHIC WALKS

enclosed in sealed envelope marked "Tender for Walks," and addressed to the undersigned, will be received until 6 o'clock p.m. of

Saturday, the 24th Day of August, 1901,

for the construction of the whole or any of the following walks:

One Granolithic Walk, about 691 feet long by 5 feet wide, to be built on the west side of Marlborough Street, from Race Street to Water Street.

One Granolithic Walk, about 537 feet long by 5 feet wide, to be built on the south side of Water Street, from Marlborough Street to Gloucester Street.

One Granolithic Walk, about 530 feet long by 5 feet wide, to be built on the north side of Water Street, from Marlborough Street to Gloucester Street.

One Granolithic Walk, about 542 feet long by 3½ feet wide, to be built on the west side of Gloucester Street, from Water Street to First Street.

A certified bank cheque for ten per cent. of the value of the work tendered for, and payable to the order of the Treasurer of the Town of Cornwall, must accompany each tender, otherwise the tender will not be considered. This cheque will be forfeited if the person whose tender is accepted refuses to sign the contract and proceed with the work.

The work must be fully completed on, or before, the 1st day of October, 1901.

Plans and specifications can be seen at the office of F. D. McNaughton, Town Engineer, and forms of tender can be obtained from him on and after August 15, 1901.

The lowest, or any tender not necessarily accepted.

By order,

GEORGE S. JARVIS,
Town Clerk.

Town Hall, Cornwall,
August 13, 1901.

TENDERS

Tenders addressed to the undersigned, will be received until the 24TH DAY OF AUGUST, 1901, inclusive, for the construction of a

Wooden Dam and Flume and Power House

in connection therewith at Renfrew, Ont., where plans and specifications for same can be seen and all information relating thereto obtained.

THOS. A. LOW,
Secretary Renfrew Power Company, Limited.

TENDERS WANTED

Seal tenders addressed to the Reeve, will be received by the Corporation of the Village of Hershall, Ontario, until 8 o'clock p.m., MONDAY, 26TH AUGUST, 1901, for the construction of about 20,000 square feet of Cement Concrete Sidewalk, in the Village of Hershall. Specifications may be seen at the office of the Clerk on and after July 10th, 1901.

The corporation reserves the right to reject any or all tenders.

G. T. ARNOLD, Reeve,
J. C. STONEMAN, Clerk.

Hershall, 6th July, 1901.

TENDERS FOR SEWERS IN THE TOWN OF WALKERTON

Tenders will be received by the undersigned up to MONDAY, AUGUST 20TH, at 4 p.m., for the construction of a sewer about 4,500 feet in length or more, or as decided upon by the Committee, made up as follows: About 1,000 feet of 10 inch; 1,188 feet of 9 inch; and about 1,500 feet of 6 inch piping. There will be 7 manholes also the necessary junctions. The average depth will be about 5 feet.

Plans and specifications may be seen at the office of the town clerk, Walkerton.

A marked cheque for the amount of 5 per cent. of the tender price, made payable to the town treasurer of Walkerton, must accompany each tender for the proper entering into a contract for the performance and completion of the work.

The lowest or any not necessarily accepted.

(SIGNED) R. H. McRAY
Chairman of Public Works,
Walkerton, Ont.

Walkerton, Ont., August 12th, 1901

Notice to Contractors.
