EDITED BY GEORGE MACDONALD,

AND ILLUSTRATED BY THE BEST ARTISTS.

THE Illustrated Christian Weekly,

FOR 1873

Will continue to merit the claim of its critics to be the "handsomest illustrated paper in the world." Now portraits of eminent men, equal to those already given of Beecher, Spurgeon, Lewis, Mason, and others, are in preparation. Religious work, at home and abroad, social and domestic life, scenery in this and other lands, events of the day, are among the topics which will be illustrated in the best manner by such artists as Dorley, Atterdole, Beard, Dixon, and others. Each number of the paper will contain seven or more finely executed engravings.

In the literary department, Dr. C. S. Robinson, whose original sketches have been an acceptable feature of the paper the present year, will furnish a new series of descriptive life and customs in the best. On the conclusion of John S. C. Abbott's fascinating "History of William the Conqueror," other historical sketches from the same masterly pen will be forthcoming. E. E. Todd will give us descriptions of Mediterranean houses, and show how to build them cheaply. Contributions may also be expected from Rev. Drs. Theodor, L. Cuyler, Howard Crosby, J. G. Craighero, Cyrus Hamlin, J. E. Rankin, Frois H. M. Baird and W. C. Wilkinson, Jacob Abbott A. L. Noble, Mrs. E. L. Deers, Mrs. A. E. Barr, Mrs. M. E. Miller, Mrs. M. A. Denison, and other popular writers.
