Dose Table B.P. 1898

This table, which appeared originally in THE CANADIAN DRUGGIST, has been carefully compiled and is now published in sheet form on heavy paper, suitable for tacking up in the laboratory, class-room or study. It has been found very helpful for

Students in Pharmacy and Medicine

and should be in every dispensary as a ready reference. The drugs and preparations of the British Pharmacopoeia 1898 are all classified under the dose designated by the Pharmacopoeia and are so arranged as to be seen at a glance. A copy of the table will be mailed to any address on receipt of 10 cents.

Published Weekly; Price Eight Cents; ANNUAL SUBSCRIPTION, including Postage, \$4.90.

THE PHARMACEUTICAL JOURNAL has been recognized throughout English speaking countries for more than half a century as the leading Journal devoted to Pharmacy. Each number contains London and Provincial Market Reports, giving the latest and most accurate prices of Drugs, Chemicals, Seeds and Oils, in addition to other matters of interest to the trade.

On account of its extensive circulation amongst Wholesale and Retail Chemists and Druggists, and the estimation in which it is held by readers, the JOURNAL is unexcelled as a medium for the insertion of all Advertisements to the trade at home and abroad.

Subscriptions are payable in advance, and should be addressed to
