CATARRH, Catarrhal Deafness and Hay Fever. Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby the above diseases are cured in from one to three simple applications made at home. A pamphlet, describing this new treatment, is sent free on receipt of stamp, by A. H. Dixon & Son, 306 King Street West, Toronto, Canada.—*The Star*.
